Delivering Your File

Once the loan file is uploaded into the LendingSpace portal the loan needs to be delivered to SunTrust.

"Submit to Underwriting" should be selected if the loan will be underwritten by SunTrust.

"Deliver Closed File" should be selected when the closed loan needs to be delivered to SunTrust.

Important: if the incorrect option was selected, contact your internal Sales Team immediately!

Reminder: Closed Loan packages need to be delivered by 11:59 pm ET on the date of the lock expiration to avoid relocking fees and worst case pricing.
