**Card Account Agreement (CA) SUMMARY OF KEY TERMS** Each bolded word or phrase is defined in the definitions section at the end of this Agreement. A copy of the Agreement may be found online at [www.suntrust.com/personal-banking/credit-cards](http://www.suntrust.com/personal-banking/credit-cards).

**When are You bound by the CA Terms?** Your Card Account Agreement with SunTrust starts and You agree to the terms when (1) You accept and/or sign the Card or (2) You or an Authorized User use(s) the Card or Account, thus obtaining Credit from SunTrust.

**What types of transactions might You make with the Card/Account and how are these transactions itemized on Your bill each month?**

- You may use Your Card/Account to make legal Purchases, Cash Advances, Overdraft Advances and Balance Transfers. You are responsible for transactions that You, other Cardholders, and Authorized Users make, whether the transactions are legal or not.
- Each type of transaction has different associated costs and terms; each transaction type and associated costs are grouped together and detailed in Your monthly Statement (Card Account bill) by transaction type. The combined outstanding amount of each transaction type is Your New Balance due on Your Account each month (Billing Period). You must pay all Interest Charges, fees, and Other Charges properly charged to Your Account.

**What You Pay, when, how, and what happens if You pay late?**

- SunTrust will send You a monthly Statement (bill). You agree to pay all Authorized Charges on the Statement. You have the option of paying in full the New Balance shown on each Statement or paying in installments that at least equal the amount of the Minimum Payment shown on Your Statement. In either case, the payment Due Date will be at least 25 days after the Closing Date of Your Statement.
- The Minimum Payment will include any amount past due or over Your Credit Limit plus the greater of (1) \$25.00, (2) 2% of the New Balance, or (3) 1% of the New Balance plus current Interest Charges and Other Charges. If the New Balance is less than \$25.00, the Minimum Payment will be the New Balance. If You pay more than the Minimum Payment, You still must make the Minimum Payment on subsequent Statements until You have fully paid what You owe. You must pay in U.S. dollars, without restrictive terms, and in accordance with the Standard Payment Instructions.
- If You do not pay at least the Minimum Payment by the Due Date, SunTrust will charge a Late Payment fee, unless Your Account is exempt from Late Payment fees. If You make a Late Payment, You will be in Default and You may be subject to rate increases. If You are in Default for any reason, SunTrust can require that the entire outstanding full Balance on Your Account be immediately paid.

**How will SunTrust apply Your payments?**

- You agree that the Minimum Payments on Your Account will be applied in the order SunTrust selects.
- SunTrust may allocate Your Minimum Payments to Balances starting with the lowest APR (Annual Percentage Rate). Payments in excess of the Minimum Payment will generally be applied first to Balances with the highest APR and any remaining portion to the other Balances in descending order based on their APRs, unless SunTrust is required by applicable law to use a different payment application method in connection with a deferred interest or similar program.
- Payments are normally applied to restore Your available Credit (the amount of Your unused Credit Limit). There may be a delay in restoring Your available Credit until SunTrust determines whether a payment is likely to be returned for insufficient funds or for some other reason.

**What other important terms exist in the CA?** Your liability for unauthorized use of the Card - what to do/what happens if Your Card is stolen.

What other important terms exist in the CA?

**Credit Limits, Authorization, and Convenience Checks** - spending limits/transaction authorization.

**Individual Liability** - each Cardholder is individually and jointly liable for all **Authorized Charges**.

**Termination** - You or SunTrust can terminate or suspend Your Credit at any time with/without cause.

**Sharing of Information** - how SunTrust safeguards your information/how-when SunTrust may disclose Your information to others; refers to SunTrust's Privacy Statement.

**Arbitration** - the way in which You and SunTrust agree to resolve claims; You have the right to opt out of arbitration as the agreed upon claims resolution method.

**Billing Dispute Rights** - details Your rights if You dispute charges/are not satisfied with good/services You procure from merchants using Your Card/Account.

**Defined Terms** - defines all essential terms used in the CA.

Interest Charges and Transaction Fees in General:

SunTrust calculates **Interest Charges** using the **Average Daily Balance** (including new transactions) method. SunTrust also uses compounded interest in calculating **Interest Charges**. Compounded interest means that interest is added to the principal that You owe and interest then applied each successive **Billing Period** on the outstanding **Balance** and new charges. [See the **Card Mailer** for disclosure of **APRs**, corresponding **DPRs (Daily Periodic Rate)**, **Minimum Interest Charge**, transaction fees, and **Other Charges**.]

Interest Rates and Interest Charges based upon Credit Inquiries:

Your eligibility for **Credit**, initial and on-going **Interest Rates**, and other CA terms may vary based upon Your credit worthiness. You authorize SunTrust to make or have made any credit, employment, and investigative inquiries about You that SunTrust deems appropriate about: (1) whether SunTrust will provide You with a **Card Account** and if so at what rates/terms, (2) modifications to Your **Card Account** rates/terms while You maintain the **Account**, or (3) collection of **Credit** under Your **Account** and other permissible purposes as the law allows.

Cost on Purchases:  
SunTrust will charge the Interest Charge (unless inapplicable because of the **Grace Period**) on Your **Purchases** from the transaction date.

- Any **Purchase Balance** not paid by the **Due Date** on the **Statement** will incur an **Interest Charge** on the following month's **Statement**.
- The cost for **Purchases (DPR Interest Charge)**, when it applies) is the **Average Daily Balance** on **Purchases** multiplied by (1) the number of days in the **Billing Period** and (2) the applicable **DPR**.
- You will have a **Grace Period** on any new **Purchases** that are reflected for the first time on Your current **Statement** if You pay Your **New Balance** on time each **Billing Period**. Those new **Purchases** will not be subject to an **Interest Charge** during the **Billing Period** reflected in the current **Statement** if You satisfy the conditions for applicability of the **Grace Period**.

Costs on Cash Advances:  
SunTrust will charge the Interest Charge on Your **Cash Advances** from the date they are posted to Your **Account**.

The costs for **Cash Advances** consist of (1) interest computed at the applicable **DPR** on the **Average Daily Balance** (for **Cash Advances**) and (2) **Cash Advance** transaction fees. The **DPR Interest Charge** is the **Average Daily Balance** on **Cash Advances** multiplied by (1) the number of days in the **Billing Period** and (2) the applicable **DPR**. **Cash Advances** do not have a **Grace Period**.

Cost on Overdraft Advances:  
SunTrust will charge the Interest Charge on Your **Overdraft Advances** from the date they are posted to Your **Account**.

The cost on **Overdraft Advances (DPR Interest Charge)** is the **Average Daily Balance** on **Overdraft Advances** multiplied by (1) the number of days in the **Billing Period** and (2) the applicable **DPR**. In accordance with its Rules and Regulations for **Deposit Accounts**, SunTrust will assess You its usual deposit account fee for such service, separately, and as part of Your deposit **Account** fees. **Overdraft Advances** do not have a **Grace Period**.

### Costs on Balance Transfers:

When SunTrust provides You a Balance Transfer check or Balance Transfer request form or when You request a Balance Transfer, SunTrust will charge the Interest Charge on Your Balance Transfer from the date it is posted to Your Account.

### Foreign Currency Exchange on Non-US Transactions:

- The costs for **Balance Transfers** consist of (1) interest computed at the applicable **DPR** on the **Average Daily Balance** (for **Balance Transfers**) and (2) **Balance Transfer** transaction fees.
- The **DPR Interest Charge** is the **Average Daily Balance** on **Balance Transfers** multiplied by (1) the number of days in the **Billing Period** and (2) the applicable **DPR**.
- **SunTrust** may from time to time offer **You Balance Transfer Promotional Offers** with different **Balance Transfer Interest Charges** and transaction fees than the **Card Mailer** terms. Those different **Interest Charges** and fees will be disclosed in the **Balance Transfer Promotional Offer**. Unless **SunTrust** informs You otherwise, **Balance Transfers** do not have a **Grace Period**.

### Other Charges:

- All **Purchase** and **Cash Advance** transactions processed in a foreign currency will be converted to U.S. dollars under the regulations (which affect rate and actual date of the exchange) of the **Card Association** before being charged to **Your Account**.
- If **Your Account** has a foreign currency transaction fee, it will be shown on the **Card Mailer**.
- Conversion may occur on a date other than the date of the transaction or the date the transaction is posted to **Your Statement**, which may affect the conversion rate used. If a **Credit** transaction is processed and has a processing date different than the original transaction, then the exchange rate of the **Credit** can be greater/less than that of the original transaction.

**Late Payment Fee.** Unless **Your Account** is exempt from **Late Payment** fees, if **SunTrust** has not received at least the **Minimum Payment** by its **Due Date** as shown on a **Statement**, **SunTrust** will add a **Late Payment** fee to **Your Purchase Balance** based on the **New Balance** outstanding as of the **Closing Date** for the **Statement**.

**Annual Fee.** If **Your Account** has an annual fee, it will be shown on the **Card Mailer**, and **SunTrust** will add the annual fee to **Your Purchase Balance**.

**Returned Payment Fee.** Unless **Your Account** is exempt from **Returned Payment** fees, **SunTrust** will add a **Returned Payment** fee to **Your Purchase Balance** if (1) a payment that You make or authorize is returned to **SunTrust** unpaid; or (2) any **Balance Transfer**, **Cash Advance**, or **Promotional Balance** check is dishonored for any reason. This fee may be imposed even if **Your** payment is later re-presented to and paid by **Your** financial institution.

**Stop Payment Fee.** **SunTrust** will add a \$39.00 stop payment fee to **Your Purchase Balance** if You ask **SunTrust** to stop payment on any **Convenience Check** drawn on **Your Account** or on any **Balance Transfer** request.

**Documentation Fee.** **SunTrust** will provide copies of **Statements**, sales drafts, etc., to You upon request. If You request copies of more than two items during a **Billing Period**, **SunTrust** will add a fee to **Your Purchase Balance** up to \$5.00 for each additional copy unless prohibited by applicable law. **SunTrust** will not impose any fee if **Your** request is made in connection with written notice of a billing error.

### Minimum Interest Charges:

If You incur **Interest Charges** in any **Billing Period**, a minimum **Interest Charge** will post to **Your Account** (such minimum **Interest Charge** shown as the "Minimum Interest Charge" on **Your Statement**).

**Card Account Agreement (CA) SUMMARY OF KEY TERMS** Each bolded word or phrase is defined in the definitions section at the end of this Agreement. A copy of the Agreement may be found online at [www.suntrust.com/personal-banking/credit-cards](http://www.suntrust.com/personal-banking/credit-cards).

Your Card Account Agreement with SunTrust starts and You agree to these terms when You accept and/or sign the Card or You or an Authorized User use(s) the Card or Account, thus obtaining credit from SunTrust.

#### Costs

You may use Your Card and Account to make Purchases, Cash Advances, Overdraft Advances and Balance Transfers. Each type of charge will have its own Balance. Each type of Balance may have a separate DPR and corresponding Interest Charges.

You agree to pay SunTrust for all credit extended on Your Account, plus any Interest Charges, Other Charges and other fees and amounts properly charged to Your Account. You agree to use Your Account only for legal transactions. It is not SunTrust's responsibility to make sure You only use Your Account for legal transactions, and You will remain responsible to pay for any transactions whether legal or not. SunTrust may decline authorization for any Internet gambling transaction. SunTrust will not be liable if You engage in an illegal transaction.

<b>Interest Charges and Transaction Fees</b>	The conditions under which Interest Charges and transaction fees apply depend upon whether the transaction is a Purchase, Cash Advance, Overdraft Advance, Balance Transfer, or Promotional Offer.
--	--

SunTrust calculates Interest Charges using the Average Daily Balance (including new transactions) method. SunTrust also uses compounded interest in calculating Interest Charges. Compounded interest means that interest is added to the principal that You owe and interest then applied each successive Billing Period on the outstanding Balance and new charges.

Interest Charges that apply on Your Account are set forth in the Card Mailer.

<b>Interest Charge for Purchases</b>	<b>Cost:</b> Interest Charge (Average Daily Balance for Purchases x no. days in Billing Period x DPR)
--------------------------------------	---

Any Purchase Balance not paid by the Due Date on the Statement will incur an Interest Charge on the following month's Statement. The cost for Purchases (DPR Interest Charge, when it applies) is the Average Daily Balance on Purchases multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR. You will have a Grace Period on any new Purchases that are reflected for the first time on Your current Statement if You pay Your New Balance on time each Billing Period. Those new Purchases will not be subject to an Interest Charge during the Billing Period reflected in the current Statement if You satisfy the conditions for applicability of the Grace Period.

SunTrust will charge the Interest Charge (unless inapplicable because of the Grace Period) on Your Purchases from the transaction date.

The DPR for Purchases (that are subject to Interest Charges) may or may not vary each month based on changes in the Index Rate. The Card Mailer discloses whether the Account is subject to a Variable or a Non-variable APR.

<b>Interest Charge and Transaction Fees for Cash Advances</b>	<b>Costs:</b> Interest Charge (Average Daily Balance for Cash Advances x no. days in Billing Period x DPR) + Cash Advance transaction fees.
---	---

The costs for Cash Advances consist of (1) interest computed at the applicable DPR on the Average Daily Balance (for Cash Advances) and (2) Cash Advance transaction fees.

The DPR Interest Charge is the Average Daily Balance on Cash Advances multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR. The Cash Advance transaction fee is disclosed in the Card Mailer.

The DPR for Cash Advances may or may not vary each month based on changes in the Index Rate. The Card Mailer discloses whether the Account is subject to a Variable or a Non-variable APR.

SunTrust will charge the Interest Charge on Your Cash Advances from the date they are posted to Your Account. Cash Advances do not have a Grace Period.

<b>Interest Charge for Overdraft Advances</b>	<b>Cost:</b> Interest Charge (Average Daily Balance for Overdraft Advances x no. days in Billing Period x DPR)
---	--

The cost on Overdraft Advances (DPR Interest Charge) is the Average Daily Balance on Overdraft Advances multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR. In accordance with its Rules and Regulations for Deposit Accounts, SunTrust will assess You its usual deposit account fee for such service, separately, and as part of Your deposit account fees.

The DPR for Overdraft Advances may or may not vary each month based on changes in the Index Rate. The Card Mailer discloses whether the Account is subject to a Variable or a Non-variable APR.

SunTrust will charge the Interest Charge on Your Overdraft Advances from the date they are posted to Your Account. Overdraft Advances do not have a Grace Period.

<b>Interest Charge and Transaction Fees for Balance Transfers</b>	<b>Costs: Interest Charge (Average Daily Balance for Balance Transfers x no. days in Billing Period x DPR) + Balance Transfer transaction fees.</b>
---	---

The costs for **Balance Transfers** consist of (1) interest computed at the applicable **DPR** on the **Average Daily Balance** (for **Balance Transfers**) and (2) **Balance Transfer** transaction fees.

The **DPR Interest Charge** is the **Average Daily Balance** on **Balance Transfers** multiplied by (1) the number of days in the **Billing Period** and (2) the applicable **DPR**. The **Balance Transfer** transaction fee for a 'regular' **Balance Transfer** or '**Promotional Balance**' **Balance Transfer** is disclosed in the **Card Mailer**; provided, that **SunTrust** may from time to time offer **You Balance Transfer Promotional Offers** with different **Balance Transfer Interest Charges** and transaction fees than the **Card Mailer** terms. Those different **Interest Charges** and fees will be disclosed in the **Balance Transfer Promotional Offer**. **SunTrust** will add the **Balance Transfer** fee to the '**Balance Transfer**' **Balance of Your Account**, unless **SunTrust** informs **You** when **You** make a **Balance Transfer** that the **Balance Transfer** amount and **Balance Transfer** fee will be added to another category of **Balance** (e.g., **Purchases** or **Cash Advances**).

Unless **SunTrust** informs **You** otherwise, **Balance Transfers** do not have a **Grace Period**. When **SunTrust** provides **You** a **Balance Transfer** check or **Balance Transfer** request form or when **You** request a **Balance Transfer**, **SunTrust** will charge the **Interest Charge** on **Your Balance Transfer** from the date it is posted to **Your Account**.

The **DPR** for **Balance Transfers** (that are subject to **Interest Charges**) may or may not vary each month based on changes in the **Index Rate**. The **Card Mailer** discloses whether the **Account** is subject to a **Variable** or a **Non-variable APR**.

<b>Interest Charge for Promotional Balances</b>	<b>Cost: Interest Charge (Average Daily Balance for Promotional Balances x no. days in Billing Period x Promotional Rate DPR)</b>
---	---

**SunTrust** may from time to time offer **You** a **Promotional Rate** on certain **Purchases** or **Balance Transfers** through **Promotional Offers**. If **You** accept a **Promotional Offer**, the resulting **Promotional Balance** will be subject to the terms of that specific **Promotional Offer** and this **Agreement**. In each **Promotional Balance** program, any new or different terms of the program not disclosed in this **Agreement** (such as the **APR**, effective dates and other special terms) will be detailed in the **Promotional Offer**.

The **DPR Interest Charge** is the **Average Daily Balance** on **Promotional Balances** multiplied by (1) the number of days in the **Billing Period** and (2) the applicable **DPR**.

The **Promotional Rate** will apply to those **Promotional Balances** until the **Promotional Offer Termination Date**. A **Promotional Balance** will not, after the **Termination Date**, be eligible for another **Promotional Rate**.

After the **Termination Date**, **Your Promotional Rate** will change to **Your regular Purchases DPR**, unless disclosed otherwise in the **Promotional Offer**. If the reason for the **Termination Date** is a **Delinquency Triggering Event**, **SunTrust** will change the **DPR** that applies to **Your** new and outstanding **Promotional Balances** to the **Purchase DPR** and corresponding **APR**, after **SunTrust** provides **You** any notice required by applicable law.

#### Minimum Interest Charge

If **You** incur **Interest Charges** in any **Billing Period**, a minimum **Interest Charge** will post to **Your Account** (such minimum **Interest Charge** shown as the "Minimum Interest Charge" on **Your Statement**). If **You** incur **Interest Charges** in any **Billing Period**, the **Minimum Interest Charge** will be no less than the amount disclosed in the **Card Mailer**. **SunTrust** may allocate the **Minimum Interest Charge** among **Your** various **Balances** in the manner that **SunTrust** elects as permitted by applicable law.

#### Foreign Currency Exchange for Non-US Transactions

All **Purchase** and **Cash Advance** transactions processed in a foreign currency will be converted to U.S. dollars under the regulations of the **Card Association** before being charged to **Your Account**. (The exchange rate that the **Card Association** uses to convert currency is a rate the **Card Association** selects either from the range of rates available in the wholesale currency markets for the applicable processing date (which rate may vary from the rate the **Card Association** itself receives) or the government-mandated rate in effect on the applicable processing date.)

Conversion may occur on a date other than the date of the transaction or the date the transaction is posted to **Your Statement**, which may affect the conversion rate used. If a **Credit** transaction is processed and has a processing date different than the original transaction, then the exchange rate of the **Credit** can be greater/less than that of the original transaction.

If **Your Account** has a foreign currency transaction fee, it will be shown on **Your Card Mailer** and will be calculated after each **Purchase** transaction has been converted from a foreign currency.

#### Other Charges

**Late Payment Fee.** Unless **Your Account** is exempt from **Late Payment** fees, if **SunTrust** has not received at least the **Minimum Payment** by its **Due Date** as shown on a **Statement**, **SunTrust** will add a **Late Payment** fee to **Your Purchase Balance** based on the **New Balance** outstanding as of the **Closing Date** for the **Statement**. The **Late Payment** fee is stated on the **Card Mailer**.

**Annual Fee.** If **Your Account** has an annual fee, it will be shown on the **Card Mailer**, and **SunTrust** will add the annual fee to **Your Purchase Balance**. If an annual fee is applicable to **Your Account**, **SunTrust** will provide **You** with notice of that annual fee in the manner required by law and explain how **You** may terminate **Credit** availability under the **Account** to avoid paying any such annual fee. If **You** do not terminate the **Account**, the terms disclosed will continue to apply.

**Returned Payment Fee.** Unless Your Account is exempt from Returned Payment fees, SunTrust will add a Returned Payment fee to Your Purchase Balance if (1) a payment that You make or authorize is returned to SunTrust unpaid (for example, if a check or an electronic funds transfer to SunTrust is returned for insufficient funds or is returned because it is not signed or cannot be processed for any reason); or (2) any Balance Transfer, Cash Advance, or Promotional Balance check is dishonored for any reason. This fee may be imposed even if Your payment is later re-presented to and paid by Your financial institution. The Returned Payment fee is stated on the Card Mailer.

**Stop Payment Fee.** SunTrust will add a \$39.00 stop payment fee to Your Purchase Balance if You ask SunTrust to stop payment on any Convenience Check drawn on Your Account or on any Balance Transfer request.

**Documentation Fee.** SunTrust will provide copies of Items to You upon request. If You request copies of more than two Items during a Billing Period, SunTrust will add a fee to Your Purchase Balance up to \$5.00 for each additional copy unless prohibited by applicable law. SunTrust will not impose any fee if Your request is made in connection with written notice of a billing error.

### Overdraft Protection

If You elect to link Your SunTrust eligible Consumer Checking Account, Savings Account or Money Market Savings Account to this SunTrust Credit Card for overdraft protection (the "Protected Account"), funds will be transferred from Your Credit Card Account (the "Protector Account") into Your Protected Account when checks, bill pay, or other debit transactions would cause Your Protected Account to be overdrawn if those transactions are paid.

Transfers will be made in \$100 increments from the Protector Account to Your Protected Account. These transfers shall be considered a "Cash Advance" as that term is defined under Your Credit Card Account Agreement. Fees and interest rates for Cash Advances are disclosed to clients in their Credit Card Account Agreement and may be higher than those associated with other Credit Card transactions. There is no Grace Period for Cash Advances, meaning finance charges will accrue from the date the Cash Advance is posted to Your Credit Card Account. If the available Credit on Your Credit Card Account (i.e. Credit Limit or the available Cash Advance limit) is insufficient to cover the entire overdraft, we may make transfers to pay individual debit Items up to the available accessible Credit on Your Credit Card Account. For example, if Your deposit account has a Balance of \$10.00 and a check or other debit item for \$80.00 is presented for payment, which if paid would cause Your deposit account to be overdrawn, a transfer of \$100 will be made from Your Credit Card Account to Your deposit account and an overdraft protection Cash Advance of \$100 will post to this Account. We will also charge an additional Overdraft Protection transfer fee to Your Protected Account for each day a transfer is made, as disclosed in the Personal Deposit Accounts Fee Schedule.

Be advised that we reserve the right to not initiate transfers to cover overdrafts and to return the debit item(s) for non-sufficient funds. By way of example only, we ordinarily will not initiate an overdraft transfer or advance funds as a Cash Advance under the following circumstances: (i) if You are in Default under Your Credit Card Account Agreement; (ii) if the Cash Advance would cause You to exceed the available Credit for a given transaction; (iii) if Your Credit Card is in a closed or blocked status (e.g. due to fraud); (iv) if You fail to make a Credit Card payment by its Due Date; and/or (v) if You exceed any Credit Card limit on Your Credit Card Account. In these instances, an overdraft or returned item fee for each debited item will be charged to the Protected Account, which is disclosed in the Personal Deposit Accounts Fee Schedule.

Overdraft protection is only available for active Credit Card Accounts, but be advised that linking a deposit account to a Credit Card does not automatically activate that Card. Conversely, cancelling overdraft protection will not cancel a Credit Card.

A Cash Advance transfer to the Protected Account due to overdraft protection will not activate Your Credit Card. Cancelling overdraft protection will not close Your Credit Card. However, closing a Credit Card Account will cancel the overdraft protection service.

### Payments

#### What You Pay, When, How, and what happens if You pay late

SunTrust will send Your Statement to the address that the Bank has on file for You. You agree to pay all Authorized Charges on the Statement. You have the option of paying in full the New Balance shown on each Statement or paying in installments that at least equal the amount of the Minimum Payment shown on Your Statement.

In either case, the payment Due Date will be at least 25 days after the Closing Date. The Minimum Payment will include any amount past due or over the Credit Limit plus the greater of (1) \$25.00, (2) 2% of the New Balance, or (3) 1% of the New Balance plus current Interest Charges and Other Charges. The Minimum Payment amount will either be rounded up or down to the nearest dollar. If the New Balance is less than \$25.00, the Minimum Payment will be the New Balance. If You pay more than the Minimum Payment, You still must make the Minimum Payment on subsequent Statements until You have fully paid what You owe.

You must pay in U.S. dollars, without restrictive terms, and in accordance with the Standard Payment Instructions. You must contact SunTrust at least 3 business days before an automated payment is scheduled, if You want to stop payment on the amount You think is wrong.

If You do not pay at least the Minimum Payment by the Due Date, SunTrust will charge a Late Payment fee, unless Your Account is exempt from Late Payment fees. If You make a Late Payment, You will be in Default and You may be subject

to rate increases. If **You** are in **Default** for any reason, **SunTrust** can require that the entire full **Balance** on **Your Account** be immediately paid. If **You** do not immediately pay **SunTrust** the entire full **Balance** due when required, except as specifically addressed in the Arbitration Provision of this **Agreement**, **You** will be liable to **SunTrust** for collection costs that **SunTrust** incurs, including reasonable attorneys' fees and expenses of legal actions to the extent permitted by applicable law. Where required by state law **SunTrust** will provide **You** with notice and a right to remedy **Your Default** in accordance with that law. **SunTrust's** acceptance of a payment after the payment **Due Date** or after **You** have exceeded **Your Credit Limit** does not waive **SunTrust's** right to require immediate payment of **Your** entire full **Balance**.

#### How SunTrust will apply payments

**You** agree that the **Minimum Payments** on **Your Account** will be applied in the order **SunTrust** selects in accordance with applicable law. **SunTrust** may allocate **Your Minimum Payments** to **Balances** starting with the lowest **APR**. Payments in excess of the **Minimum Payment** will generally be applied first to **Balances** with the highest **APR** and any remaining portion to the other **Balances** in descending order based on their **APRs**, unless **SunTrust** is required by applicable law to use a different payment application method in connection with a deferred interest or similar program. Payments are normally applied to restore **Your** available **Credit** (the amount of **Your** unused **Credit Limit**). There may be a delay in restoring **Your** available **Credit** until **SunTrust** determines whether a payment is likely to be returned for insufficient funds or for some other reason.

#### Amendment (Changes) and Assignment

**IMPORTANT NOTICE:** In accordance with applicable law, **SunTrust** may unilaterally change the **APRs**, **Other Charges**, and other terms of this **Agreement** at any time. This includes modifications, deletions and the addition of new provisions, including non-financial provisions (for example, **SunTrust** may add provisions relating to **SunTrust's** enforcement rights or the resolution of claims and disputes). **SunTrust** will send **You** notice in accordance with the communication method (in writing or via posting of updated **Agreement** terms at [www.suntrust.com/personal-banking/credit-cards](http://www.suntrust.com/personal-banking/credit-cards)) and in the time and manner required by law for the changes that **SunTrust** intends to make to **Your Account** and this **Agreement**. Changes will be automatically effective on the date **SunTrust** specifies, except as otherwise provided in any change in terms notice **SunTrust** provides. Use of **Your Account** is not necessary for a change in terms to be effective. **You** will have the right to reject certain changes and pay off **Your Account** in the same manner and under the same terms and conditions as then in effect, as described in any change in terms notice **SunTrust** provides and as required by applicable law. **SunTrust** may terminate or suspend **Your** ability to use the **Account** if **You** reject certain changes, to the extent permitted by applicable law and as described in any change in terms notice that **SunTrust** provides. **SunTrust** has the right to Assign **SunTrust's** rights under this **Agreement** and any amount **You** owe to **SunTrust**. **You** do not have the right to assign or transfer **Your** rights under this **Agreement**.

Unless **Your Account** type or **SunTrust** permits **You** to exceed **Your Credit Limit**, **You** agree to not exceed the **Credit Limit** that **SunTrust** establishes for **You**, but if **You** do, **You** agree to pay the over **Credit Limit** amount as part of **Your** next **Minimum Payment**. **SunTrust** may raise or lower **Your Credit Limit** at **SunTrust's** discretion, as permitted by applicable law. **SunTrust** is not liable to **You** for decreases that affect **Your Credit Limit** or spending limits. Each of **You** may request an increase to the **Credit Limit** of a joint **Account**. If **You** were required to have a joint **Account** because one of **You** was less than 21 years of age when **Your Account** was opened and that individual remains less than 21 years of age when **SunTrust** considers raising the **Credit Limit** of **Your** joint **Account**, **SunTrust** will not increase the **Credit Limit** until all of **You** approve and assume in writing joint liability for an increase to the **Credit Limit** of the joint **Account**. **SunTrust** may establish separate limits that restrict the amount of the **Credit Limit** available for **Cash Advances** or **Balance Transfers**. **SunTrust** may decline authorization for any transaction at any time. **SunTrust** is not liable for declining authorization for any transaction, regardless of **SunTrust's** reason. All transactions on **Your Account** are subject to approval based upon **Your Account** status, available **Credit**, credit history and other factors. **You** may not stop the payment of any **Card** transaction.

SunTrust may reject and return unpaid any Convenience Check that You write for any reason. You must pay SunTrust for any Convenience Check that SunTrust pays, even if SunTrust were permitted to reject and return the Convenience Check, unless the Convenience Check constitutes unauthorized use. SunTrust may refuse to issue Convenience Checks or, upon notice to You, refuse to permit the use of Convenience Checks already issued. You may call SunTrust at 800.477.9702 to place a stop payment on an unpaid Convenience Check. SunTrust will charge the stop payment fee. You must provide SunTrust the date, amount, name of payee, and the number of the Convenience Check. If any information You provide is incorrect or if You do not afford SunTrust a reasonable opportunity to act on Your request, SunTrust may not be able to stop payment. Once a Convenience Check has been paid, SunTrust will not be able to reverse the payment. Your stop payment request will remain valid for 6 months. You must renew Your request before it expires if You want SunTrust to continue honoring the stop payment request after the initial 6 month period. You agree to hold harmless and indemnify SunTrust from any losses, expenses and costs, including attorneys' fees incurred by SunTrust, for preventing or failing to prevent payment.

#### Individual Liability

You, as a Cardholder, are liable for all Credit obtained under Your Account(s), whether obtained by You, another Cardholder or an Authorized User of the Account. If there is more than one Cardholder on the Account, each of You is liable, jointly and severally, for all Credit obtained under the Account(s), regardless of which of You obtains that Credit or benefits from it.

#### Termination

Either You or SunTrust may terminate this Agreement or suspend Your Credit privileges under this Agreement at any time, with or without cause. You will not try to make any Purchases or Balance Transfers or try to obtain any Cash Advances or Overdraft Advances on Your Account after Your Credit privileges have been terminated or suspended. However, this Agreement will otherwise remain in full force and effect until You pay all sums due SunTrust.

#### Applicable Law

If there is any conflict between any of the terms and conditions of this Agreement and applicable Federal or State law, this Agreement will be considered changed to the extent necessary to comply with the applicable law. You agree that all terms of this Agreement are material to the determination of interest. SunTrust accepts this Agreement in its home state, Georgia.

## Arbitration Provision

READ THIS PROVISION CAREFULLY AS IT WILL HAVE A SUBSTANTIAL IMPACT ON HOW DISPUTES AND CLAIMS YOU AND WE HAVE AGAINST EACH OTHER ARE RESOLVED. YOU HAVE THE RIGHT TO REJECT THIS ARBITRATION AGREEMENT AS SET FORTH BELOW. If You do not reject this arbitration agreement, for a Claim subject to arbitration, neither You nor we will have the right to: (1) have a court or a jury decide the Claim; (2) engage in information-gathering (discovery) to the same extent as in court; (3) participate in a class action in court or in arbitration; or (4) join or consolidate a Claim with claims of any other person. The right to appeal is more limited in arbitration than in court and other rights in court may be unavailable or limited in arbitration.

**Claims Subject to Arbitration.** A “Claim” subject to arbitration is any claim, dispute or controversy between You and us (other than an Excluded Claim or Proceeding as set forth below), whether preexisting, present or future, which arises out of or relates to the Account, these rules and regulations, any transaction conducted with us in connection with the Account or these rules and regulations, or our relationship. “Claim” has the broadest possible meaning and includes initial claims, counterclaims, cross-claims, third-party claims and federal, state, local and administrative claims. It includes disputes based upon contract, tort, consumer rights, fraud and other intentional torts, constitution, statute, regulation, ordinance, common law and equity and includes claims for money damages and injunctive or declaratory relief. “Claim” also includes disputes concerning communications involving telephones, cell phones, automatic dialing systems, artificial or prerecorded voice messages, text messages, emails or facsimile machines and alleged violations of the Telephone Consumer Protection Act and other statutes or regulations involving telemarketing. Upon the demand of You or us, Claim(s) will be resolved by individual (not class or class-wide) binding arbitration in accordance with the terms specified in this arbitration agreement.

**Special Definition of “We,” “Us” and “Our.”** Solely for purposes of this arbitration agreement, the terms “we,” “us” and “our,” in addition to the meanings set forth in these rules and regulations, also refer to SunTrust’s employees, officers, directors, parents, controlling persons, subsidiaries, affiliates, successors and assigns. “We,” “us” and “our” also apply to third parties if You assert a Claim against such third parties in connection with a Claim You assert against us.

**Excluded Claim or Proceeding.** Notwithstanding the foregoing, “Claim” does not include any dispute or controversy about the validity, enforceability, coverage or scope of this arbitration agreement or any part thereof (including, without limitation, the Class Action Waiver set forth below, this sentence, and/or the last sentence of the Survival and Severability paragraph below); all such disputes or controversies are for a court and not an arbitrator to decide. However, any dispute or controversy that concerns the validity or enforceability of the rules and regulations as a whole is for the arbitrator, not a court, to decide. In addition, the following claims or proceedings will not be subject to this arbitration agreement: (1) any individual action brought by You or us in small claims court or Your state’s equivalent court, unless such action is transferred, removed, or appealed to a different court; (2) the exercising of any self-help rights, including set-off as described in the paragraph below titled “Right of Offset and Security Interest,” or (3) any individual action in court by one party that is limited to preventing the other party from using a self-help remedy and that does not involve a request for damages or monetary relief of any kind. The institution and/or maintenance of any such right, action or litigation shall not constitute a waiver of the right of either of the parties to compel arbitration regarding any other dispute subject to arbitration pursuant to this arbitration agreement. Moreover, this arbitration agreement will not apply to any Claims that are the subject of (a) a class action filed in court that is pending as of the effective date of this arbitration agreement in which You are alleged to be a member of the putative class (however, You and we will continue to be bound by any prior version of this arbitration agreement), or (b) a motion to compel arbitration filed by us against You before the effective date of this arbitration agreement pursuant to a prior version of this arbitration agreement (however, You and we will continue to be bound by any prior version of this arbitration agreement).

**Federal Arbitration Act.** Notwithstanding any choice of law or other provision in these rules and regulations, the parties agree and acknowledge that this agreement evidences a transaction involving interstate commerce and that the Federal Arbitration Act (Title 9 of the United States Code) (“FAA”) shall govern its interpretation and enforcement and proceedings pursuant thereto. To the extent state law is applicable under the FAA, the law of the state governing Your account relationship with us shall apply.

**Arbitration Class Action Waiver.** Notwithstanding any other provision of these rules and regulations, if either You or we elect to arbitrate a Claim, neither You nor we will have the right: (a) to participate in a class action, private attorney general action or other representative action in court or in arbitration, either as a class representative or class member; or (b) to join or consolidate Claims with claims of any other persons. No arbitrator shall have authority to conduct any arbitration in violation of this provision. (Provided, however, that the Class Action Waiver does not apply to any lawsuit or administrative proceeding filed against us by a state or federal government agency even when such agency is seeking relief on behalf of a class of borrowers including You. This means that we will not have the right to compel arbitration of any claim brought by such an agency).

**Arbitration Procedures.** If You or we elect to arbitrate a Claim, the electing party must notify the other party in writing. This notice can be given after the beginning of a lawsuit and can be given in papers filed in the lawsuit. Otherwise, Your notice must be sent to SunTrust Bank Legal Department, Attn: General Counsel- Arbitration Election, Mail Code 0643, 303 Peachtree Street, N.E., 9th Floor, Atlanta, Georgia 30308, and our notice must be sent to the most recent address for You in our files. Any arbitration hearing that You attend must take place in a venue reasonably convenient to You. If a party files a lawsuit in court asserting Claim(s) that are subject to arbitration and the other party files a motion to compel arbitration with the court which is granted, it will be the responsibility of the party prosecuting the Claim(s) to commence the arbitration proceeding with an arbitration administrator in accordance with this arbitration agreement and the administrator’s rules and procedures. Even if all parties have opted to litigate a Claim in court, You or we may elect arbitration with respect to any Claim made by a new party or any Claim later asserted by a party in that or any related or unrelated lawsuit (including a Claim initially asserted on an individual basis but modified to be asserted on a class, representative or multi-party basis). Nothing in that litigation shall constitute a waiver of any rights under this arbitration agreement.

A single arbitrator will be appointed by the administrator and, unless You and us agree otherwise, must be a practicing attorney with ten or more years of experience or a retired judge. The arbitrator will not be bound by judicial rules of procedure and evidence that would apply in a court, nor by state or local laws that relate to

arbitration provisions or proceedings. The arbitrator will honor and enforce statutes of limitation and claims of privilege recognized under applicable law. In determining liability or awarding damages or other relief, the arbitrator will follow the applicable substantive law, consistent with these rules and regulations and the FAA, that would apply if the matter had been brought in court. The arbitrator may award any damages or other relief or remedies that would apply under applicable law to an individual action brought in court. For Claim(s) that total less than \$75,000 and at Your written request, we will pay all filing, hearing and/or other fees charged by the administrator and arbitrator to You for Claim(s) asserted by You in arbitration after You have paid an amount equivalent to the fee, if any, for filing such Claim(s) in state or federal court (whichever is less) in the judicial district in which You reside. If You have already paid a filing fee for asserting the Claim(s) in court, You will not be required to pay that amount again. In addition, the administrator may have a procedure whereby You can seek a waiver of fees charged to You by the administrator and arbitrator. We will always pay any fees or expenses that we are required to pay by law or the administrator's rules or that we are required to pay for this arbitration agreement to be enforced. The arbitrator will have the authority to award attorneys and expert witness fees and costs to the extent permitted by either these rules and regulations, the administrator's rules or applicable law. The arbitrator shall award You Your reasonable attorneys' and expert witness fees and costs (a) if and to the extent You prevail on Claim(s) You assert against us in an individual arbitration commenced by You, or (b) to the extent required under applicable law for this arbitration agreement to be enforced. The arbitrator shall write a brief explanation of the grounds for the decision. A judgment on the award may be entered by any court having jurisdiction.

**Survival and Severability.** This arbitration agreement shall survive the closing of Your Account and the termination of any relationship between us, including the termination of these rules and regulations. If any part of this arbitration agreement is deemed or found to be unenforceable for any reason, the remainder shall be enforceable, except that: (a) The parties to these rules and regulations acknowledge that the Class Action Waiver is material and essential to the arbitration of any disputes between the parties and is non severable from this arbitration agreement. If the Class Action Waiver is limited, voided or found unenforceable as to any Claim(s), then the parties' arbitration agreement (except for this sentence) shall be null and void with respect to such Claim(s) (but not as to any other Claim(s) that have been or are later brought), subject to the right to appeal the limitation or invalidation of the Class Action Waiver. The parties acknowledge and agree that under no circumstances will a class action be arbitrated; and (b) if a Claim is brought seeking public injunctive relief and a court determines that the restrictions in the paragraph titled "Class Action Waiver" or elsewhere in this agreement prohibiting the arbitrator from awarding relief on behalf of third parties are unenforceable with respect to such Claim (and that determination becomes final after all appeals have been exhausted), the Claim for public injunctive relief will be determined in court and any individual Claims seeking monetary relief will be arbitrated. In such a case the parties will request that the court stay the Claim for public injunctive relief until the arbitration award pertaining to individual relief has been entered in court. In no event will a Claim for public injunctive relief be arbitrated.

**Effect of Arbitration Award.** The arbitrator's award shall be final and binding on all parties, except for any right of appeal provided by the FAA. However, if the amount of the Claim exceeds \$150,000 or involves a request for injunctive or declaratory relief that could foreseeably involve a cost or benefit to either party exceeding \$150,000, any party can, within thirty (30) days after the entry of the award by the arbitrator, appeal the award to a three- arbitrator panel administered by the Administrator. The panel shall reconsider anew any aspect of the initial award requested by the appealing party. The decision of the panel shall be by majority vote. Reference in this arbitration provision to "the arbitrator" shall mean the panel if an appeal of the arbitrator's decision has been taken. The costs of such an appeal will be borne in accordance with the above paragraph titled "Arbitration Procedures." Any final decision of the appeal panel is subject to judicial review only as provided under the FAA. No arbitration award involving the parties will have any preclusive effect as to issues or claims in any dispute involving anyone who is not a party to the arbitration, nor will an arbitration award in prior disputes involving other parties have preclusive effect in an arbitration between the parties to this agreement.

**Notice and Cure; Special Payment.** Prior to initiating a Claim, You may give us a written Claim Notice describing the basis of Your Claim and the amount You would accept in resolution of the Claim, and a reasonable opportunity, not less than thirty (30) days, to resolve the Claim. Such a Claim Notice must be sent to us by certified mail, return receipt requested, at SunTrust Bank Legal Department, Attn: General Counsel- Claim Notice, Mail Code 0643, 303 Peachtree Street, N.E., 9th Floor, Atlanta, Georgia 30308. This is the sole and only method by which You can submit a Claim Notice. If (i) You submit a Claim Notice in accordance with this Paragraph on Your own behalf (and not on behalf of any other party); (ii) You cooperate with us by promptly providing the information we reasonably request; (iii) we refuse to provide You with the relief You request; and (iv) the matter then proceeds to arbitration and the arbitrator subsequently determines that You were entitled to such relief (or greater relief), You will be entitled to a minimum award of at least \$7,500 (not including any arbitration fees and attorneys' fees and costs to which You will also be entitled). We encourage You to address all Claims You have in a single Claim Notice and/or a single arbitration. Accordingly, this \$7,500 minimum award is a single award that applies to all Claims You have asserted or could have asserted in the arbitration, and multiple awards of \$7,500 are not contemplated.

**Right to Reject Arbitration Agreement.** You may reject this arbitration agreement and therefore not be subject to being required to resolve any claim, dispute or controversy by arbitration. To reject this arbitration agreement, You and only You personally, must send us written notice of Your decision so that we receive it at the address listed below within forty-five (45) days of the opening of Your Account. Such notice must include a statement that You wish to reject the arbitration agreement section of these rules and regulations along with Your name, address, Account name, Account number and Your signature and must be mailed to the SunTrust Bank Legal Department, Attn: Arbitration Rejection, P.O. Box 4418, Mail Code 0643, Atlanta, GA 30302-4418. This is

the sole and only method by which You can reject this arbitration agreement and any attempt to reject this arbitration agreement by any other person or through any other method or form of notice, including the filing of a lawsuit, will be ineffective. You agree that Your rejection of this arbitration agreement shall not be imputed to any other person or entity or be deemed to be a rejection of this arbitration agreement by any person or entity other than You. Nor shall Your rejection of this arbitration agreement eliminate the obligation of other persons or entities who wish to reject this arbitration agreement to personally comply with the notice and time requirements of this paragraph. Rejection of this arbitration agreement will not affect any remaining terms of these rules and regulations and will not result in any adverse consequence to You or Your Account. You agree that our business records will be final and conclusive with respect to whether You rejected this arbitration agreement in a timely and proper fashion. **This arbitration agreement provision will apply to You and us and to Your Account unless You reject it by providing proper and timely notice as stated herein.**

#### **Your Billing Rights**

- If You think there is an error on Your Statement, write SunTrust at:
  - **SunTrust Bank**  
Cardholder Services, P.O. Box 620548, Orlando, FL 32862-0548  
Attn: Dispute Department
- In Your letter, give SunTrust the following information:
  - **Account** information: Your name and **Account** number
  - **Dollar** amount: The amount of the suspected error
  - **Description** of problem: If You think there is an error on Your Statement, describe what You believe is wrong and why You believe it is a mistake.
- You must contact SunTrust:
  - Within 60 days after the error appeared on Your statement.
  - At least 3 business days before an automated payment is scheduled, if You want to stop payment on the amount You think is wrong.
- You must notify SunTrust of any potential errors in writing. You may also call SunTrust, but SunTrust is not required to investigate any potential errors and You may have to pay the amount in question unless You provide written notice of the suspected error.

#### **What will happen after SunTrust receives Your letter**

- When SunTrust receives Your letter, SunTrust must do two things:
  - Within 30 days of receiving Your letter, SunTrust must inform You that SunTrust received Your letter; SunTrust will also inform You if SunTrust has already corrected the error.
  - Within 90 days after receiving Your letter, SunTrust must either correct the error or explain to You why SunTrust believes the bill is correct.
- While SunTrust investigates whether or not there has been an error:
  - SunTrust may not (1) attempt to collect the amount in question or (2) report You as delinquent on that amount;
  - The charge in question may remain on Your Statement, and SunTrust may continue to charge You interest on that amount;
  - While You do not have to pay the amount in question, You are responsible for the remainder of Your Balance; and
  - SunTrust may apply any unpaid amount against Your Credit Limit.
- After SunTrust finishes the investigation, one of two things will happen:
  - If SunTrust made a mistake, You will not have to pay the amount in question or any interest or other fees related to that amount; or
  - If SunTrust does not believe there was a mistake, You will have to pay the amount in question, along with applicable interest and fees; SunTrust will send You a statement of the amount You owe and the date payment is due; and SunTrust may then report You as delinquent if You do not pay the amount SunTrust states that You owe.
- If You receive SunTrust's explanation but still believe Your bill is wrong, You must write to SunTrust within 10 days telling SunTrust that You still refuse to pay. If You do so, SunTrust cannot report You as delinquent without also reporting that You are questioning Your bill. SunTrust must tell You the name of anyone to whom SunTrust reported You as delinquent, and SunTrust must let those organizations know when the matter has been settled between SunTrust and You.
- If SunTrust does not follow all of the rules above, You do not have to pay the first \$50 of the amount You question even if Your bill is correct.

## Your rights If You are dissatisfied with a Purchase

- If You are dissatisfied with the goods or services that You Purchase with Your Card/Account, and You have tried in good faith to correct the problem with the merchant, You may have the right not to pay the remaining amount due on the Purchase. To use this right, all of the following must be true:
  - The Purchase must have been made in Your home state or within 100 miles of Your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these conditions applies if Your Purchase was based on an advertisement SunTrust mailed to You, or if SunTrust owns the company that sold You the goods or services.)
  - You must have used Your Card for the Purchase. Purchases made with cash advances from an ATM or with a check that accesses Your Account do not qualify.
  - You must not yet have fully paid for the Purchase.
- If all of the criteria above are met and You are still dissatisfied with the purchase, contact SunTrust in writing at:
  - SunTrust Bank  
Cardholder Services, P.O. Box 620548, Orlando, FL 32862-0548  
Attn: Dispute Department

While SunTrust investigates, the same rules apply to the disputed amount as discussed above. After SunTrust finishes the investigation, SunTrust will tell You SunTrust's decision. At that point, if SunTrust thinks You owe an amount and You do not pay, SunTrust may report You as delinquent.

## Definitions

**Account** - The credit card Account(s) SunTrust approves for Your use that is/are subject to the terms and conditions of this Agreement.

**Agreement** - Your Card Account Agreement with SunTrust for the Account, which contract is made up of these terms and conditions, Your application or response to SunTrust's solicitation, and the documents that accompany delivery of Your Card (Card Mailer).

**APR (Annual Percentage Rate)** - The cost of Your Credit as a yearly rate. Different APRs may apply to different Balances on Your Account, such as Your Balance on Purchases or Your Balance on Cash Advances. SunTrust uses the applicable APR to calculate the Interest Charge that You owe on the Account. The Card Mailer discloses applicable APRs and whether the Account is subject to a Variable or Non-Variable APR.

**Non-Variable APR** - The DPR subject to the Non-Variable Rate will be based on an APR that does not vary with changes in an Index Rate. The Card Mailer discloses the APR for the Non-Variable Rate as of the date Your Account was opened.

**Variable APR** - The variable APR will be based on the Index Rate plus a Margin. The Card Mailer discloses the APR for the Variable Rate. An increase in the Index Rate may result in a higher Minimum Payment.

**Assign** - SunTrust Assigns Your Account and this Agreement if SunTrust sells or transfers to another party any or all of SunTrust's rights or obligations under this Agreement, including any amount that You owe SunTrust on the Account. If SunTrust Assigns Your Account, the party who receives the assignment will have SunTrust's rights under this Agreement, subject to the extent of the assignment.

**Authorized Charges** - Any Purchases, Balance Transfers, Cash Advances, Overdraft Advances, and Promotional Balances that You or any Authorized User makes on the Account and any fees and Interest Charges owing on the Account.

**Authorized User** - Any person You authorize to use the Card (whether Cardholder or not and whether or not such use exceeds the limit You authorized or intended).

**Average Daily Balance** - To get the Average Daily Balance, SunTrust adds the outstanding Balance (including new transactions and deducting payments and credits) for each transaction type for each day in the Billing Period; SunTrust adds together all the daily Balances for each separate transaction type, and then divides by the number of days in the Billing Period.

**Balance** - Every charge on the Account, including transactions that You make and Interest Charges and fees that SunTrust assesses, falls into a specific Balance, such as the Balance on Purchases, Balance Transfers, Cash Advances, Overdraft Advances, and Promotional Balances. Fees that are based on a specific transaction are assigned to the same Balance as the applicable transaction. For example, a cash advance fee on a Purchase is assigned to the Balance on Purchases. Fees that are not specific to a given transaction with the Card (like a Returned Payment) are assigned to the Balance on Purchases.

**Balance Transfer** - Credit SunTrust extends resulting from a Balance Transfer that You request by any means (including telephone, Convenience Check, or Balance Transfer request form that SunTrust provides). SunTrust's policy is not to allow You to transfer any Balance You owe from any other account with SunTrust or SunTrust's respective affiliates. SunTrust may permit You to transfer balances from other credit card companies or financial institutions to Your Account up to the amount of Your Credit Limit. If You request an amount that SunTrust does not approve, SunTrust may process a partial Balance Transfer for less than the amount that You requested or SunTrust may decline the entire request. SunTrust is not liable if SunTrust does not approve a requested Balance Transfer (in whole or in part). Balance Transfer requests that are incomplete or illegible will not be approved. SunTrust reserves the right to make Balance Transfers in the order SunTrust selects. In order to preserve Your dispute rights, You should not transfer balances from other credit card companies or financial institutions if those balances are in dispute. You should allow up to 8 weeks for Balance Transfers to be completed. You should continue to monitor the other accounts and continue to pay the minimum payment due on those accounts until You receive statements from those creditors showing that the balances have been paid in full. This confirmation may not happen until after the transactions appear on the Statement SunTrust sends You. You are solely responsible for any late payments, ongoing finance

charges and disputed amounts on Your other accounts. If You want Your other accounts closed following a Balance Transfer, You are responsible for doing so.

**Billing Period** - The time interval between the dates of Your regular billing Statements. Your first Billing Period may be less than one month. All Credit terms, including Minimum Interest Charges, will apply in each Billing Period including the first Billing Period.

**Card** - Your Card is/are the physical Card(s), the Account number, or any device (such as a check) that You or an Authorized User can use to access Your Account.

**Card Association** - the applicable credit card association through which Your Card Account is sponsored (e.g., Visa® or MasterCard®).

**Cardholder** - The natural person to whom SunTrust issues a Card at his/her request or application, or a natural person who has agreed to pay obligations arising from another person's use of the Card or Account.

**Card Mailer** - the mail that delivers Your Card and includes Your Agreement and other terms associated with Your Card Account when SunTrust sends Your Card to You.

**Cash Advance** - Credit SunTrust extends to You in the form of a loan from the Account. A Cash Advance occurs when You: (1) obtain cash from an ATM (automated teller machine), (2) obtain cash from any other source, (3) make a wire transfer, (4) buy foreign currency, (5) buy traveler's checks, (6) buy money orders, (7) buy lottery tickets, or (8) buy gambling chips or wagers.

**Cash Advance Credit Limit** - The maximum amount of Credit that SunTrust establishes from time to time and makes available to You on the Account for Cash Advances. Any Cash Advance Credit Limit SunTrust establishes may be less than the Credit Limit that otherwise applies to Your Account. The Cash Advance Credit Limit is stated on the Card Mailer.

**Cash Equivalent Transactions** - Transactions performed using a merchant or service provider that Visa® or MasterCard® identifies as a seller of travelers checks, foreign currency, money orders, wire transfers, lottery tickets, funds used for wagers or gambling, or similar products or services. These transactions are treated as Cash Advances on Your Account.

**Closing Date** - The last day of a Billing Period.

**Convenience Check** - A check that the Bank provides which You may use to access Your Account to make a Purchase or a Balance Transfer.

**Covered Provider** - means any third party that provides any product or service in connection with the Credit if (and only if) You assert a Claim against such third party in connection with a Claim You assert against SunTrust.

**Credit** - means the credit extension You receive under this Agreement.

**Credit Limit** - Your Credit Limit will appear on each monthly Statement.

**For Accounts with Spending Limits:** The maximum amount of Credit that SunTrust establishes from time to time and makes available to You on the Account.

**For Accounts with no Pre-Set Spending Limits:** No pre-set spending limit does not mean unlimited spending. Your Account will be assigned a revolving Credit Limit. SunTrust may restrict the amount of Your Credit Limit that is available for Balance Transfers. For Cash Advances, You may only spend up to Your assigned Cash Advance Credit Limit. For Purchases, You may be authorized to exceed Your assigned Credit Limit. Each transaction You make is authorized based on factors such as (1) Your Account history; (2) credit record; (3) absence or presence of suspected fraud; and (4) performance and delinquency patterns. If You attempt to make a Purchase transaction that exceeds your Credit Limit, Your Account will be evaluated based upon the length of time Your Account has been open and Account usage, performance and delinquency patterns or presence of suspected fraud; and (4) performance and delinquency patterns. If You attempt to make a Purchase transaction that exceeds your Credit Limit, Your Account will be evaluated based upon the length of time Your Account has been open and Account usage, performance and delinquency patterns with SunTrust or with Your other creditors, and Your ability to pay. In certain circumstances, SunTrust may ask for additional financial records to authorize a transaction. If You are authorized to exceed Your Credit Limit, You will be required to pay, as part of your Minimum Payment, the amount by which Your New Balance exceeds Your Credit Limit. SunTrust encourages You to provide us with notice of forthcoming unusual activity, such as, high transaction amounts, high velocity, or changes in geographic patterns.

**Default** - Subject to applicable law and any right that You may have under that law, SunTrust may require immediate payment of Your entire Account Balance and You will be in Default if (1) You do not make at least the Minimum Payment on or before the payment Due Date, (2) a Cardholder or Authorized User exceeds or tries to exceed the Credit Limit without SunTrust's permission, (3) A payment You make is rejected or cannot be processed, (4) SunTrust reasonably believes that a Cardholder's ability to pay SunTrust is materially impaired (for example, if You become subject to bankruptcy or insolvency proceedings or if an attachment or garnishment proceedings are instituted against You or Your property), (5) You provide SunTrust with false, misleading or fraudulent information or a false signature, (6) a Cardholder dies or is legally declared incompetent or incapacitated, (7) You fail to comply with any provision of this Agreement, (8) You or an Authorized User makes illegal use of any financial service under the Account or (9) You or an Authorized User continues to use an Account or Card that has been closed.

**Delinquency Triggering Event** - A Delinquency Triggering Event occurs if You fail to make a Minimum Payment within 60 days of its payment Due Date.

**DPR (Daily Periodic Rate)** - the daily periodic rate is calculated from the applicable APR. The DPR is equal to the applicable APR divided by 365 (or 366 in a leap year). SunTrust may use DPR to calculate the Interest Charge as described in this Agreement. Interest Charges resulting from the application of DPRs will accrue daily and be calculated on the Average Daily Balances (including new transactions) for each Account feature (Purchases, Cash Advances, Balance Transfers, Overdraft Advances, and Promotional Balances).

**Due Date** - This is the date by which SunTrust must receive Your payment in order for it to be on time. Your Due Date will be stated on Your Statement. It will occur on the same calendar day of each month. It will be at least 21 days after the date SunTrust mails Your Statement and at least 25 days after the end of Your most recently concluded Billing Period (Closing Date). To be timely, SunTrust must receive Your payment on or before the Due Date and by the time stated on Your Statement. If no time is stated on Your Statement, Your payment is timely if SunTrust receives it by 5:00 p.m. Eastern Time on the Due Date; provided, however, that if You make a payment directly to SunTrust personnel at a SunTrust branch, Your payment will be credited to Your Account same day as the day of the payment. Payments initiated through SunTrust's automated telephone service, with a customer service representative, or via SunTrust's web site will be subject to the 5:00 p.m. payment cut-off time.

**Crediting of Payments to Account:** Payments that SunTrust receives prior to 5:00 p.m. Eastern Time at the mailing address shown on the front of Your Statement and in the Standard Payment Instructions will be credited to Your Account as of the date of receipt. Payments that SunTrust receives after 5:00 p.m. Eastern Time will be credited as of the next day, unless You make the payment directly to SunTrust personnel at a SunTrust branch after 5:00 p.m., as stated above. If SunTrust accepts a payment received at any other location than the address stated in Your Statement and in the Standard Payment Instructions, with no payment coupon enclosed, or that does not conform to the Standard Payment Instructions, that payment may be subject to a delay in crediting of up to 5 days after the date of receipt. This delay may result in additional Interest Charges, Other Charges, and possible suspension of Your Account. Payments initiated through SunTrust's automated telephone service (if available) or via SunTrust's web site will be subject to the 5:00 p.m. payment cut-off time.

**Grace Period** - The time period during which You may avoid paying interest on certain transactions. As stated in the Card Mailer, the Grace Period is at least 25 days after the close of each Billing Period. This Agreement defines the kinds of transactions that are subject to a Grace Period (See Interest Charges and Transaction Fees Section). If a particular transaction is subject to a Grace Period, Your Account starts in a Grace Period for that transaction. The Grace Period will continue if You pay Your New Balance on time each Billing Period. You will lose the Grace Period if You do not pay Your New Balance in a given Billing Period. To regain Your Grace Period after You lose it, You must pay Your New Balance on time for 1 Billing Period. If You lose Your Grace Period for transactions to which the Grace Period previously applied, You will owe interest on any unpaid Balance. Interest on those transactions will begin to accrue from the end of the Billing Period for which You failed to pay Your New Balance. For any such transactions that You make after You lose Your Grace Period, You will pay interest from the Transaction Date until the time that You regain the Grace Period for transactions of this type.

**Index Rate** - The rate used for making variable rate adjustments to Your APR. The Index Rate is the Prime Rate as quoted in the "Money Rates" section of *The Wall Street Journal (Eastern Edition)* on the 28<sup>th</sup> day (or if the 28<sup>th</sup> day is not a business day, the next business day thereafter) of the prior calendar month. If *The Wall Street Journal (Eastern Edition)* is not published or the Prime Rate is not given on any of these dates, then the Index Rate will be determined by using the immediately preceding published Prime Rate for such date. If the Prime Rate is no longer available, SunTrust will choose a new index and notify You as required by applicable law. Index Rate changes will be effective on Your Billing Period that commences on or after the first day of the next succeeding month after the Index Rate is published. (For example, if a new Index Rate is published on June 28<sup>th</sup>, the new APR would be effective as of the first day of the Billing Period that commences July 1 or after). An Index Rate increase will increase the applicable APR, which may increase Your Minimum Payment.

**Interest Charge** - The cost of Your Credit on the Account as a dollar amount that SunTrust derives by applying Your DPR to the Average Daily Balance.

**Items** - Statements, sales drafts and/or payment instruments.

**Joint Ownership Considerations** - If a deposit Account (i.e. Protected Account) is jointly owned, any owner of BOTH the deposit Account AND the Credit Card Account (i.e. the Protector Account) may enroll in overdraft protection without the consent of the other owners of that deposit Account. However, any owner of either the deposit Account OR Credit Card Account may cancel overdraft protection without the consent of other owners. If a jointly owned deposit Account is enrolled in overdraft protection: (i) all deposit Account holders will be responsible for all overdraft protection advances regardless of which person writes a check or initiates a transaction that causes an overdraft (e.g. as a debit Card Purchase); and (ii) all deposit Account holders authorize us to share information about the Protected Account with each owner of Protector Account, such as type of Account and partial Account number. We reserve the right to cancel, suspend, or change the terms or conditions of Your overdraft protection service at any time, for any reason.

**Late Payment** - A payment that You make that SunTrust does not receive before the Due Date.

**Margin** - The rate added to the Index Rate to determine Your APR.

**Minimum Payment** - The Minimum Payment due on Your Account as shown on Your Statement.

**New Balance** - The entire Balance of Purchases, Cash Advances, Overdraft Advances, Balance Transfers and any Promotional Balances outstanding on Your Account on the Closing Date, plus all accrued Interest Charges and Other Charges as of such date.

**Notice Address for Arbitration** - means, except as otherwise specified in the Arbitration Provision, the address that must be used for giving notices under the Provision. The initial Notice Address for You is the latest address SunTrust has in SunTrust's files. The initial Notice Address for SunTrust is: SunTrust Bank Legal Department, Attention: General Counsel - Arbitration Election, 303 Peachtree Street N.E., Suite 3600, Mail Code 0643, Atlanta, Georgia 30308, although SunTrust may give You notice at any time that SunTrust has changed SunTrust's Notice Address.

**Other Charges** - Charges to Your Account as described in the Other Charges Section of this Agreement, including fees for: Late Payments\*, Annual Fee, Returned Payments\*, Stop Payments\*, Documentation\*, and Phone Payments\*. \*SunTrust will consider reversal of these Other Charges fees on open Accounts in good standing if circumstances warrant such consideration, such as claims of Bank errors and other mitigating factors.

**Overdraft Advance** - Credit SunTrust extends to You in the form of a loan from the Account to cover an overdraft on a deposit account that You designate at SunTrust. You must enroll in the SunTrust overdraft protection program to receive this form of Credit.

**Promotional Balance** - Credit SunTrust extends for an introductory and other designated Purchase or Balance Transfer transaction, subject to discounted fees and/or a different DPR than your standard DPR for Purchases. Your use of a Promotional Offer from SunTrust results in a Promotional Balance.

**Promotional Rate** - The DPR applied to Promotional Balances.

**Protected Account** - An eligible SunTrust Consumer Checking Account, Savings Account, or Money Market Savings Account linked to this SunTrust Consumer Credit Card for overdraft protection.

**Protector Account** - Your SunTrust Consumer Credit Card Account.

**Purchase** - Credit SunTrust extends to You when You or an Authorized User (1) use(s) the Card or Account to purchase goods, labor, insurance or services through sellers and lessors that honor Your Card or Account for the purpose of completing a Purchase or (2) use(s) a Convenience Check or other Credit instrument that SunTrust provides for You to make a Purchase.

**Returned Payment** - A payment that You make that Your financial institution does not honor. If You have a Returned Payment, SunTrust will assess a fee in accordance with the terms of this Agreement. If SunTrust resubmits a Returned Payment and Your financial institution subsequently honors it, SunTrust will still assess a Returned Payment fee because Your financial institution originally returned the payment as unpaid. If Your financial institution returns a payment more than once, SunTrust will not charge more than one Returned Payment fee. If You make a new payment to SunTrust, however, and Your financial institution does not honor it, SunTrust will assess an additional Returned Payment fee.

**Standard Payment Instructions** - These instructions require You to pay your credit Card bill as follows. Pay (1) in U.S. dollars, (2) not in cash, unless You pay at one of SunTrust's branches, (3) from a U.S. deposit account or cashier's check drawn on a U.S. financial institution, (4) without restrictive language (e.g., "payment in full") included or attached to the payment, and (5) not from a credit account that SunTrust provides You, such as a Convenience Check drawn on this Account. If You make payment in a paper form (like a check, money order, or cashier's check), You must include the payment coupon from Your Statement or write Your Card Account number on the payment. If SunTrust decides in the Bank's discretion to accept a form of payment that does not meet these Standard Payment Instructions, SunTrust does not waive the Bank's right to continue to require payments that comply with these instructions. If SunTrust decides to accept a payment that You make in a foreign currency, SunTrust will choose the conversion rate to apply. The date You mail the payment is different from the date the Bank receives the payment. The payment date is the date that the Bank receives Your payment in accordance with these Standard Payment Instructions. If You fail to comply with these Standard Payment Instructions, credit to Your Account for the payment may be delayed. This delay may result in additional Interest Charges, Other Charges, and possible suspension of Your Account. Contact SunTrust at **866.732.1683** to inquire about phone pay. Mailed payments should be sent to:

SunTrust Bank  
Cardholder Services  
P.O. Box 791278  
Baltimore, MD 21279-1278

**NOTE:** Any disagreement that You may have with respect to charges on Your Statement must be presented to SunTrust in writing separately from your payment and to a different address than where Your payments are sent. (See the "Your Billing Rights" Section of this Agreement.)

**Statement** - SunTrust will send You a bill at the end of each Billing Period if Your Account has a debit Balance of any amount or a credit Balance of more than \$1, unless SunTrust has decided Your Account is uncollectible or has closed or suspended Your Account for collection proceedings against You. The Statement will tell You the total Balance that You owe the Bank as of the end of the last Billing Period. It will also tell You the Minimum Payment that You must pay the Bank by the stated Due Date.

**SunTrust** - means (1) SunTrust Bank, the bank that is providing You Credit, and will include (2) any person(s) to whom the Credit is transferred or assigned; (3) any Covered Provider; (4) the parents, controlling persons, subsidiaries and affiliates of the companies in (1)-(3) above; (5) the successors and predecessors of the companies in (1)-(4) above; and (6) the officers, directors and employees of the companies in (1)-(5) above. SunTrust may also be referred to as "the Bank." Solely for purposes of the Arbitration Provision contained in this Agreement, the term

“SunTrust” shall also apply to any third parties if You assert a Claim against such third parties in connection with a Claim You assert against SunTrust.

**Termination Date** - This is the last day a Promotional Rate will apply to a Promotional Balance. It will be the earlier of (1) the last day specified in the Promotional Balance offer or (2) the date identified in any notice to You when a Delinquency Triggering Event occurs.

**Transaction Date** - The Transaction Date of a Purchase is the sale date. The Transaction Date of a Balance Transfer, Cash Advance, or Overdraft Advance is the date that You request such a transaction.

**You, Your and Yours** - means the Cardholder(s).
