SUMMARY OF KEY TERMS

AGREEMENT TERMS: Each bolded word or phrase is defined in the definitions section at the end of this Agreement. A copy of the Agreement may be found online at www.suntrust.com/personal-banking/credit-cards. The most current version of this Card Account Agreement shall be published online. The online version of the agreement supersedes any prior written version.

CARD ACCOUNT AGREEMENT: Your Card Account Agreement with SunTrust starts and You agree to the terms when (1) You accept and/or sign the Card or (2) You or an Authorized User use(s) the Card or Account, thus obtaining Credit from SunTrust.

WHAT TYPES OF TRANSACTIONS MIGHT YOU MAKE WITH THE CARD/ACCOUNT AND HOW ARE THESE TRANSACTIONS ITEMIZED ON YOUR BILL EACH MONTH?

• You may use Your Card/Account to make legal Purchases, Cash Advances, Overdraft Advances and Balance Transfers. You are responsible for transactions that You, other Cardholders, and Authorized Users make, whether the transactions are legal or not.
• Each type of transaction has different associated costs and terms; each transaction type and associated costs are grouped together and detailed in Your monthly Statement (Card Account bill) by transaction type. The combined outstanding amount of each transaction type is Your New Balance due on Your Account each month (Billing Period).
• You must pay all Interest Charges, fees, and Other Charges properly charged to Your Account.

WHAT YOU PAY, WHEN, HOW, AND WHAT HAPPENS IF YOU PAY LATE?

• SunTrust will send You a monthly Statement (bill). You agree to pay all Authorized Charges on the Statement. You have the option of paying in full the New Balance shown on each Statement or paying in installments that at least equal the amount of the Minimum Payment shown on Your Statement. In either case, the payment Due Date will be at least 25 days after the Closing Date of Your Statement.
• The Minimum Payment will include any amount past due or over Your Credit Limit plus the greater of (1) $25.00, (2) 2% of the New Balance, or (3) 1% of the New Balance plus current Interest Charges and Other Charges. If the New Balance is less than $25.00, the Minimum Payment will be the New Balance. If You pay more than the Minimum Payment, You still must make the Minimum Payment on subsequent Statements until You have fully paid what You owe. You must pay in U.S. dollars, without restrictive terms, and in accordance with the Standard Payment Instructions.
• If You do not pay at least the Minimum Payment by the Due Date, SunTrust will charge a Late Payment fee, unless Your Account is exempt from Late Payment fees. If You make a Late Payment, You will be in Default and You may be subject to rate increases. If You are in Default for any reason, SunTrust can require that the entire outstanding full Balance on Your Account be immediately paid.

HOW WILL SUNTRUST APPLY YOUR PAYMENTS?

• You agree that the Minimum Payments on Your Account will be applied in the order SunTrust selects.
• SunTrust may allocate Your Minimum Payments to Balances starting with the lowest APR and any remaining portion to the other Balances in descending order based on their APRs, unless SunTrust is required by applicable law to use a different payment application method in connection with a deferred interest or similar program.
• Payments are normally applied to restore Your available Credit (the amount of Your unused Credit Limit). There may be a delay in restoring Your available Credit until SunTrust determines whether a payment is likely to be returned for insufficient funds or for some other reason.
Credit Limits, Authorization, and Convenience Checks - spending limits/transaction authorization.

Individual Liability - each Cardholder is individually and jointly liable for all Authorized Charges.

Interest Charges and Transaction Fees in General:

SunTrust calculates Interest Charges using the Average Daily Balance (including new transactions) method. SunTrust also uses compounded interest in calculating Interest Charges. Compounded interest means that interest is added to the principal that You owe and interest then applied each successive Billing Period on the outstanding Balance and new charges. [See the Card Mailer for disclosure of APRs, corresponding DPRs (Daily Periodic Rate), Minimum Interest Charge, transaction fees, and Other Charges.]

Cost on Purchases:

SunTrust will charge the Interest Charge on Your Overdraft Advances from the date they are posted to Your Account.

Your liability for unauthorized use of the Card - what to do/what happens if Your Card is stolen.

Your eligibility for Credit, initial and on-going Interest Rates, and other CA terms may vary based upon Your credit worthiness. You authorize SunTrust to make or have made any credit, employment, and investigative inquiries about You that SunTrust deems appropriate about: (1) whether SunTrust will provide You with a Card Account and if so at what rates/terms, (2) modifications to Your Card Account rates/terms while You maintain the Account, or (3) collection of Credit under Your Account and other permissible purposes as the law allows.

• Any Purchase Balance not paid by the Due Date on the Statement will incur an Interest Charge on the following month’s Statement.

• The cost for Purchases (DPR Interest Charge, when it applies) is the Average Daily Balance on Purchases multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR.

• You will have a Grace Period on any new Purchases that are reflected for the first time on Your current Statement if You pay Your New Balance on time each Billing Period. Those new Purchases will not be subject to an Interest Charge during the Billing Period reflected in the current Statement if You satisfy the conditions for applicability of the Grace Period.

The costs for Cash Advances consist of (1) interest computed at the applicable DPR on the Average Daily Balance (for Cash Advances) and (2) Cash Advance transaction fees. The DPR Interest Charge is the Average Daily Balance on Cash Advances multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR. Cash Advances do not have a Grace Period.

The cost on Overdraft Advances (DPR Interest Charge) is the Average Daily Balance on Overdraft Advances multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR. In accordance with its Rules and Regulations for Deposit Accounts, SunTrust will assess You its usual deposit account fee for such service, separately, and as part of Your deposit Account fees. Overdraft Advances do not have a Grace Period.
**Costs on Balance Transfers:**

When SunTrust provides You a Balance Transfer check or Balance Transfer request form or when You request a Balance Transfer, SunTrust will charge the Interest Charge on Your Balance Transfer from the date it is posted to Your Account.

- The costs for Balance Transfers consist of (1) interest computed at the applicable DPR on the Average Daily Balance (for Balance Transfers) and (2) Balance Transfer transaction fees.
- The DPR Interest Charge is the Average Daily Balance on Balance Transfers multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR.
- SunTrust may from time to time offer You Balance Transfer Promotional Offers with different Balance Transfer Interest Charges and transaction fees than the Card Mailer terms. Those different Interest Charges and fees will be disclosed in the Balance Transfer Promotional Offer. Unless SunTrust informs You otherwise, Balance Transfers do not have a Grace Period.

**Foreign Currency Exchange on Non-US Transactions:**

All Purchase and Cash Advance transactions processed in a foreign currency will be converted to U.S. dollars under the regulations (which affect rate and actual date of the exchange) of the Card Association before being charged to Your Account.

- If Your Account has a foreign currency transaction fee, it will be shown on the Card Mailer.
- Conversion may occur on a date other than the date of the transaction or the date the transaction is posted to Your Statement, which may affect the conversion rate used. If a Credit transaction is processed and has a processing date different than the original transaction, then the exchange rate of the Credit can be greater/less than that of the original transaction.

**Other Charges:**

- Late Payment Fee. Unless Your Account is exempt from Late Payment fees, if SunTrust has not received at least the Minimum Payment by its Due Date as shown on a Statement, SunTrust will add a Late Payment fee to Your Purchase Balance based on the New Balance outstanding as of the Closing Date for the Statement.
- Annual Fee. If Your Account has an annual fee, it will be shown on the Card Mailer, and SunTrust will add the annual fee to Your Purchase Balance.
- Returned Payment Fee. Unless Your Account is exempt from Returned Payment fees, SunTrust will add a Returned Payment fee to Your Purchase Balance if (1) a payment that You make or authorize is returned to SunTrust unpaid; or (2) any Balance Transfer, Cash Advance, or Promotional Balance check is dishonored for any reason. This fee may be imposed even if Your payment is later re-presented to and paid by Your financial institution.

**Charges**

SunTrust can change some of Your rates and other terms in accordance with applicable law. This table shows some possible changes.
Your Card Account Agreement with SunTrust starts and You agree to these terms when You accept and/or sign the Card or You or an Authorized User use(s) the Card or Account, thus obtaining credit from SunTrust.

### Costs

You may use Your Card and Account to make Purchases, Cash Advances, Overdraft Advances and Balance Transfers. Each type of charge will have its own Balance. Each type of Balance may have a separate DPR and corresponding Interest Charges.

You agree to pay SunTrust for all credit extended on Your Account, plus any Interest Charges, Other Charges and other fees and amounts properly charged to Your Account. You agree to use Your Account only for legal transactions. It is not SunTrust’s responsibility to make sure You only use Your Account for legal transactions, and You will remain responsible to pay for any transactions whether legal or not. SunTrust may decline authorization for any Internet gambling transaction. SunTrust will not be liable if You engage in an illegal transaction.

#### Interest Charges and Transaction Fees

SunTrust calculates Interest Charges using the Average Daily Balance (including new transactions) method. SunTrust also uses compounded interest in calculating Interest Charges. Compounded interest means that interest is added to the principal that You owe and interest then applied each successive Billing Period on the outstanding Balance and new charges.

Interest Charges that apply on Your Account are set forth in the Card Mailer.

**Interest Charge for Purchases**

Cost: Interest Charge (Average Daily Balance for Purchases x no. days in Billing Period x DPR)

Any Purchase Balance not paid by the Due Date on the Statement will incur an Interest Charge on the following month’s Statement. The cost for Purchases (DPR Interest Charge, when it applies) is the Average Daily Balance on Purchases multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR. You will have a Grace Period on any new Purchases that are reflected for the first time on your current Statement if You pay your New Balance on time each Billing Period. Those new Purchases will not be subject to an Interest Charge during the Billing Period reflected in the current Statement if You satisfy the conditions for applicability of the Grace Period.

SunTrust will charge the Interest Charge (unless inapplicable because of the Grace Period) on Your Purchases from the transaction date.

The DPR for Purchases (that are subject to Interest Charges) may or may not vary each month based on changes in the Index Rate. The Card Mailer discloses whether the Account is subject to a Variable or a Non-variable APR.

**Interest Charge and Transaction Fees for Cash Advances**

Costs: Interest Charge (Average Daily Balance for Cash Advances x no. days in Billing Period x DPR) + Cash Advance transaction fees.

The costs for Cash Advances consist of (1) Interest computed at the applicable DPR on the Average Daily Balance (for Cash Advances) and (2) Cash Advance transaction fees.

The DPR Interest Charge is the Average Daily Balance on Cash Advances multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR. The Cash Advance transaction fee is disclosed in the Card Mailer.

The DPR for Cash Advances may or may not vary each month based on changes in the Index Rate. The Card Mailer discloses whether the Account is subject to a Variable or a Non-variable APR.

SunTrust will charge the Interest Charge on Your Cash Advances from the date they are posted to Your Account. Cash Advances do not have a Grace Period.

**Interest Charge for Overdraft Advances**

Cost: Interest Charge (Average Daily Balance for Overdraft Advances x no. days in Billing Period x DPR)

The cost on Overdraft Advances (DPR Interest Charge) is the Average Daily Balance on Overdraft Advances multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR. In accordance with its Rules and Regulations for Deposit Accounts, SunTrust will assess You its usual deposit account fee for such service, separately, and as part of Your deposit account fees.

The DPR for Overdraft Advances may or may not vary each month based on changes in the Index Rate. The Card Mailer discloses whether the Account is subject to a Variable or a Non-variable APR.

SunTrust will charge the Interest Charge on Your Overdraft Advances from the date they are posted to Your Account. Overdraft Advances do not have a Grace Period.
The costs for Balance Transfers consist of (1) interest computed at the applicable DPR on the Average Daily Balance (for Balance Transfers) and (2) Balance Transfer transaction fees.

The DPR Interest Charge is the Average Daily Balance on Balance Transfers multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR. The Balance Transfer transaction fee for a ‘regular’ Balance Transfer or ‘Promotional Balance’ Transfer is disclosed in the Card Mailer; provided, that SunTrust may from time to time offer You Balance Transfer Promotional Offers. If You select a Balance Transfer Promotional Rate and fees than that the Card Mailer terms. Those different Interest Charges and fees will be disclosed in the Balance Transfer Promotional Offer. SunTrust will add the Balance Transfer fee to the ‘Balance Transfer’ Balance of Your Account, unless SunTrust informs You when You make a Balance Transfer that the Balance Transfer amount and Balance Transfer fee will be added to another category of Balance (e.g., Purchases or Cash Advances).

Unless SunTrust informs You otherwise, Balance Transfers do not have a Grace Period. When SunTrust provides You a Balance Transfer check or Balance Transfer request form or when You request a Balance Transfer, SunTrust will charge the Interest Charge on Your Balance Transfers from the date it is posted to Your Account. The DPR for Balance Transfers (that are subject to Interest Charges) may or may not vary each month based on changes in the Index Rate. The Card Mailer discloses whether the Account is subject to a Variable or a Non-variable APR.

SunTrust may from time to time offer You a Promotional Rate on certain Promotional Balance Transfers through Promotional Offers. If You accept a Promotional Offer, the resulting Promotional Balance will be subject to the terms of that specific Promotional Offer and this Agreement. In each Promotional Balance program, any new or different terms of the program not disclosed in this Agreement (such as the APR, effective dates and other special terms) will be disclosed in the Promotional Offer.

The DPR Interest Charge is the Average Daily Balance on Promotional Balances multiplied by (1) the number of days in the Billing Period and (2) the applicable DPR. The Promotional Rate will apply to those Promotional Balances until the Promotional Offer Termination Date. A Promotional Balance will not, after the Termination Date, be eligible for another Promotional Rate.

After the Termination Date, Your Promotional Rate will change to Your regular Purchase APR; unless otherwise disclosed in the Promotional Offer. The reason for the Termination Date is a Delinquency Triggering Event, SunTrust will change the DPR that applies to Your new and outstanding Promotional Balances to the Purchase DPR and corresponding APR, after SunTrust provides You any notice required by applicable law.

If You incur Interest Charges in any Billing Period, a minimum Interest Charge will post to Your Account (such minimum Interest Charge shown as the "Minimum Interest Charge" on Your Statement). If You incur Interest Charges in any Billing Period, the Minimum Interest Charge will be no less than the amount disclosed in the Card Mailer. SunTrust may allocate the Minimum Interest Charge among Your various Balances in the manner that SunTrust elects as permitted by applicable law.

All Purchase and Cash Advance transactions processed in a foreign currency will be converted to U.S. dollars under the regulations of the Card Association before being charged to Your Account. (The exchange rate that the Card Association uses to convert currency is a rate the Card Association selects either from the range of rates available in the wholesale currency markets for the applicable processing date (which rate may vary from the rate the Card Association itself receives) or the government-mandated rate in effect on the applicable processing date.)

Conversion may occur on a date other than the date of the transaction or the date the transaction is posted to Your Statement, which may affect the conversion rate used. If a Credit transaction is processed and has a processing date different than the original transaction, then the exchange rate of the Credit can be greater/less than that of the original transaction.

If Your Account has a foreign currency transaction fee, it will be shown on Your Card Mailer and will be calculated after each Purchase transaction has been converted from a foreign currency.

Late Payment Fee. Unless Your Account is exempt from Late Payment fees, if SunTrust has not received at least the Minimum Payment by its Due Date as shown on a Statement, SunTrust will add a Late Payment fee to Your Purchase Balance based on the New Balance outstanding as of the Closing Date for the Statement. The Late Payment fee is stated on the Card Mailer.

Annual Fee. If Your Account has an annual fee, it will be shown on the Card Mailer, and SunTrust will add the annual fee to Your Purchase Balance. If an annual fee is applicable to Your Account, SunTrust will provide You with notice of that annual fee in the manner required by law and explain how You may terminate Credit availability under the Account to avoid paying any such annual fee. If You do not terminate the Account, the terms disclosed will continue to apply.
Returned Payment Fee. Unless Your Account is exempt from Returned Payment fees, SunTrust will add a Returned Payment fee to Your Purchase Balance if (1) a payment that You make or authorize is returned to SunTrust unpaid (for example, if a check or an electronic funds transfer to SunTrust is returned for insufficient funds or is returned because it is not signed or cannot be processed for any reason); or (2) any Balance Transfer, Cash Advance, or Purchase Balance charge is disputed for any reason. This fee may be imposed even if Your payment is later re-presented to and paid by your financial institution. The Returned Payment fee is stated on the Card Mailer.

Stop Payment Fee. SunTrust will add a $39.00 stop payment fee to Your Purchase Balance if You ask SunTrust to stop payment on any Convenience Check drawn on Your Account or on any Balance Transfer request.

Documentation Fee. SunTrust will provide copies of items to You upon request. If You request copies of more than two items during a Billing Period, SunTrust will add a fee to Your Purchase Balance up to $5.00 for each additional copy unless prohibited by applicable law. SunTrust will not impose any fee if Your request is made in connection with written notice of a billing error.

Overdraft Protection
If You elect to link Your SunTrust eligible Consumer Checking Account, Savings Account or Money Market Savings Account to this SunTrust Credit Card for overdraft protection (the “Protected Account”), funds will be transferred from Your Credit Card Account (the “Protector Account”) into Your Protected Account when checks, bill pay, or other debit transactions would cause Your Protected Account to be overdrawn if those transactions are paid.

Transfers will be made in $100 increments from the Protector Account to Your Protected Account. These transfers shall be considered a “Cash Advance” as that term is defined under Your Credit Card Account Agreement. Fees and interest rates for Cash Advances are disclosed to clients in their Credit Card Account Agreement and may be higher than those associated with other Credit Card transactions. There is no Grace Period for Cash Advances, meaning finance charges will accrue from the date the Cash Advance is posted to Your Credit Card Account. The available Credit on Your Credit Card Account (i.e., the Credit Limit or the available Cash Advance limit) is insufficient to cover the entire overdraft, we may make transfers to pay individual debit items up to the available accessible Credit on Your Credit Card Account. For example, if Your deposit account has a Balance of $10.00 and a check or other debit item for $80.00 is presented for payment, which if paid would cause Your Account to be overdrawn, a transfer of $100 will be made from Your Credit Card Account to Your deposit account and an overdraft protection Cash Advance of $100 will post to this Account. We will also charge an additional Overdraft Protection transfer fee to Your Protected Account for each day a transfer is made, as disclosed in the Personal Deposit Accounts Fee Schedule.

Be advised that we reserve the right not to initiate transfers to cover overdrafts and to return the debit item(s) for non-sufficient funds. By way of example only, we ordinarily will not initiate an overdraft transfer or advance funds as a Cash Advance under the following circumstances: (i) if You are in Default under Your Credit Card Account Agreement; (ii) if the Cash Advance would cause You to exceed the available Credit for a given transaction; (iii) if Your Credit Card is in a closed or blocked status (e.g. due to fraud); (iv) if You fail to make a Credit Card payment by its Due Date; and/or (v) if You exceed any Credit Card limit on Your Credit Card Account. In these instances, an overdraft or returned item fee for each overdraft item will be charged to Your Credit Card Account.

Overdraft protection is only available for active Credit Card Accounts, but be advised that linking a deposit account to a Credit Card does not automatically activate that Card. Conversely, cancelling overdraft protection will not cancel a Credit Card.

A Cash Advance transfer to the Protected Account due to overdraft protection will not activate Your Credit Card. Cancelling overdraft protection will not close Your Credit Card. However, closing a Credit Card Account will cancel the overdraft protection service.

Payments
What You Pay, When, How, and what happens if You pay late
SunTrust will send Your Statement to the address that the Bank has on file for You. You agree to pay all Authorized Charges on the Statement. You have the option of paying in full the New Balance shown on each Statement or paying in installments that at least equal the amount of the Minimum Payment shown on Your Statement.

In either case, the payment Due Date will be at least 25 days after the Closing Date. The Minimum Payment will include any amount past due or over the Credit Limit plus the greater of (1) $25.00, (2) 2% of the New Balance, or (3) 1% of the New Balance plus current Interest Charges and Other Charges. The Minimum Payment amount will either be rounded up or down to the nearest dollar. If the New Balance is less than $25.00, the Minimum Payment will be the New Balance.

If You pay more than the Minimum Payment, You still must make the Minimum Payment on subsequent Statements until You have fully paid what You owe.

You must pay in U.S. dollars, without restrictive terms, and in accordance with the Standard Payment Instructions. You must contact SunTrust at least 3 business days before Your statement due date if an automated payment is scheduled, if You want to stop payment on the amount You think is wrong.

If You do not pay at least the Minimum Payment by the Due Date, SunTrust will charge a Late Payment fee, unless Your Account is exempt from Late Payment fees. If You make a Late Payment, You will be in Default and You may be subject to
to rate increases. If You are in Default for any reason, SunTrust can require
the entire full Balance on Your Account be immediately paid. If You do not
immediately pay SunTrust the entire full Balance due when required, except as
specifically addressed in the Arbitration Provision of this Agreement, You will
be liable to SunTrust for collection costs that SunTrust incurs, including reasonable
attorneys’ fees and expenses of legal actions to the extent permitted by applicable
law. If SunTrust requires by state law SunTrust will provide You with notice and a right
to remedy Your Default in accordance with that law. SunTrust’s acceptance of a
payment after the payment Due Date or after You have exceeded Your Credit
Limit does not waive SunTrust’s right to require immediate payment of Your
entire full Balance.

How SunTrust will apply payments
You agree that the Minimum Payments on Your Account will be applied in the
order specified in this Agreement in accordance with applicable law. SunTrust may allocate
Your Minimum Payments to Balances starting with the lowest APR. Payments in
excess of the Minimum Payment will generally be applied first to Balances with
the highest APR and any remaining portion to the other Balances in descending
order based on their APRs, unless SunTrust is required by applicable law to use a
different method of application (method not connected with a similar program).
Payments are normally applied to restore Your available Credit
(amount of Your unused Credit Limit). There may be a delay in restoring
Your available Credit until SunTrust determines whether a payment is likely to be
returned for insufficient funds or for some other reason.

to use the Account if You reject certain changes, to the extent permitted

• You must notify SunTrust of any potential errors in writing. You may also call SunTrust, but SunTrust is not required to investigate any potential errors and You may have to pay the amount in question unless You provide written notice of the suspected error.
What will happen after SunTrust receives Your letter

- When SunTrust receives Your letter, SunTrust must do two things:
  - Within 30 days of receiving Your letter, SunTrust must inform You that SunTrust received Your letter; SunTrust will also inform You if SunTrust has already corrected the error.
  - Within 90 days after receiving Your letter, SunTrust must either correct the error or explain to You why SunTrust believes the bill is correct.

- While SunTrust investigates whether or not there has been an error:
  - SunTrust may not (1) attempt to collect the amount in question or (2) report You as delinquent on that amount;
  - The charge in question may remain on Your Statement, and SunTrust may continue to charge You interest on that amount;
  - While You do not have to pay the amount in question, You are responsible for the remainder of Your Balance; and
  - SunTrust may apply any unpaid amount against Your Credit Limit.

- After SunTrust finishes the investigation, one of two things will happen:
  - If SunTrust made a mistake, You will not have to pay the amount in question or any interest or other fees related to that amount; or
  - If SunTrust does not believe there was a mistake, You will have to pay the amount in question, along with applicable interest and fees; SunTrust will send You a statement of the amount You owe and the date payment is due; and SunTrust may then report You as delinquent if You do not pay the amount SunTrust states that You owe.

- If You receive SunTrust’s explanation but still believe Your bill is wrong, You must write to SunTrust within 10 days telling SunTrust that You still refuse to pay the amount in question. SunTrust cannot change You interest on that amount unless You agree to do so. SunTrust cannot report You as delinquent without also reporting that You are questioning Your bill. SunTrust must tell You the name of anyone to whom SunTrust reported You as delinquent, and SunTrust must let those organizations know when the matter has been settled between SunTrust and You.

- If SunTrust does not follow all of the rules above, You do not have to pay the first $50 of the amount You question even if Your bill is correct.

Your rights if You are dissatisfied with a Purchase

- If You are dissatisfied with the goods or services that You Purchase with Your Card/Account, and You have tried in good faith to correct the problem with the merchant, You may have the right not to pay the remaining amount due on the Purchase. To use this right, all of the following must be true:
  - The Purchase must have been made in Your home state or within 100 miles of Your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these conditions applies if You Purchase was based on an advertisement SunTrust mailed to You, or if SunTrust owns the company that sold You the goods or services.)
  - You must have used Your Card for the Purchase. Purchases made with cash advances from an ATM or with a check that accesses Your Account do not qualify.
  - You must not yet have fully paid for the Purchase.
  - If all of the criteria above are met and You are still dissatisfied with the purchase, contact SunTrust in writing at:

Attn: Dispute Department

While SunTrust investigates, the same rules apply to the disputed amount as discussed above. After SunTrust finishes the investigation, SunTrust will tell You SunTrust’s decision. At that point, if SunTrust thinks You owe an amount and You do not pay, SunTrust may report You as delinquent.

Other Charges - Charges to Your Account as described in the Other Charges Section of this Agreement, including fees for: Late Payments*, Annual Fee, Returned Payments*, Stop Payments*, Documentation*, and Phone Payments*. *SunTrust will consider reversal of these Other Charges fees on open Accounts in good standing if circumstances warrant such consideration, such as claims of Bank errors and other mitigating factors.

Overdraft Advance - Credit SunTrust extends to You in the form of a loan from the Account a limited amount of funds on a loan basis on a temporary or permanent basis. You must enroll in the SunTrust overdraft protection program to receive this form of Credit.

Promotional Balance - Credit SunTrust extends for an introductory and other designated Purchase or Balance Transfer transaction, subject to discounted fees and for a different DPR than your standard DPR on purchases. Use of the Promotional Offer from SunTrust results in a Promotional Balance.

Promotional Rate - The DPR applied to Promotional Balances.

Protected Account - An eligible SunTrust Consumer Checking Account, Savings Account, or Money Market Savings Account linked to this SunTrust Consumer Credit Card for overdraft protection.

Protector Account - Your SunTrust Consumer Credit Card Account.

Purchase - Credit SunTrust extends to You when You or an Authorized User (1) use(s) the Credit Card for purchases, labor or services through sellers and lessors that honor Your Card or Account for the purpose of completing a Purchase or (2) use(s) a Convenience Check or other Credit instrument that SunTrust provides for You to make a Purchase.
Returned Payment - A payment that You make that Your financial institution does not honor. If You have a Returned Payment, SunTrust will assess a fee in accordance with the terms of this Agreement. If SunTrust resubmits a Returned Payment and Your financial institution subsequently honors it, SunTrust will still assess a Returned Payment fee because Your financial institution originally returned the payment as unpaid. If Your financial institution returns a payment more than once, SunTrust will not charge more than one Returned Payment fee. If You make a new payment to SunTrust, however, and Your financial institution does not honor it, SunTrust will assess an additional Returned Payment fee.

Standard Payment Instructions - These instructions require You to pay your credit Card bill as follows. Pay (1) in U.S. dollars, (2) not in cash, unless You pay at one of SunTrust's branches, (3) from a U.S. deposit account or cashier's check drawn on a U.S. financial institution, (4) without restrictive language (e.g., "payment in full") included or attached to the payment, and (5) not from a credit account that SunTrust provides You, such as a Convenience Check drawn on this Account. If You make payment in a paper form (like a check, money order, or cashier's check), You must include the payment coupon from Your Statement or write Your Card Account number on the payment. If SunTrust decides in the Bank's discretion to accept a form of payment that does not meet these Standard Payment Instructions, SunTrust does not waive the Bank's right to continue to require payments that comply with these instructions. If SunTrust decides to accept a payment that You make in a foreign currency, SunTrust will choose the conversion rate to apply. The date You mail the payment is different from the date the Bank receives the payment. The payment date is the date that the Bank receives Your payment in accordance with these Standard Payment Instructions. If You fail to comply with these Standard Payment Instructions, credit to Your Account for the payment may be delayed. This delay may result in additional Interest Charges, Other Charges, and possible suspension of Your Account. Contact SunTrust at 866.732.1683 to inquire about phone pay. Mailed payments should be sent to:
