Agreement (CA) Agreement

SUMMARY OF KEY TERMS

Each bolded word or phrase is defined in the definitions section at the end of this Agreement. A copy of the Agreement may be found online at www.suntrust.com/personal-banking/credit-cards. The most current version of this Card Account Agreement shall be published online. The online version of the agreement supersedes any prior written version.

When are You bound by the CA Terms?

Your Card Account Agreement with SunTrust starts and You agree to the terms when (1) You accept and/or sign the Card or (2) You or an Authorized User use(s) the Card or Account, thus obtaining Credit from SunTrust.

What types of transactions might You make with the Card/Account and how are these transactions itemized on Your bill each month?

• You may use Your Card/Account to make legal Purchases, Cash Advances, Overdraft Advances and Balance Transfers. You are responsible for transactions that You, other Cardholders, and Authorized Users make, whether the transactions are legal or not.

• Each type of transaction has different associated costs and terms; each transaction type and associated costs are grouped together and detailed in Your monthly Statement (Card Account bill) by transaction type. The combined outstanding amount of each transaction type is Your New Balance due on Your Account each month (Billing Period).

What You Pay, when, how, and what happens if You pay late?

• SunTrust will send You a monthly Statement (bill). You agree to pay all Authorized Charges on the Statement. You have the option of paying in full the New Balance shown on each Statement or paying in installments that at least equal the amount of the Minimum Payment shown on Your Statement. In either case, the payment Due Date will be at least 25 days after the Closing Date of Your Statement.

• The Minimum Payment will include any amount past due or over Your Credit Limit plus the greater of (1) $25.00, (2) 2% of the New Balance, or (3) 1% of the New Balance plus current Interest Charges and Other Charges. If the New Balance is less than $25.00, the Minimum Payment will be the New Balance. If You pay more than the Minimum Payment, You still must make the Minimum Payment on subsequent Statements until You have fully paid what You owe. You must pay in U.S. dollars, without restrictive terms, and in accordance with the Standard Payment Instructions.

• If You do not pay at least the Minimum Payment by the Due Date, SunTrust will charge a Late Payment fee, unless Your Account is exempt from Late Payment fees. If You make a Late Payment, You will be in Default and You may be subject to rate increases. If You are in Default for any reason, SunTrust can require that the entire outstanding full Balance on Your Account be immediately paid.

How will SunTrust apply Your payments?

• You agree that the Minimum Payments on Your Account will be applied in the order SunTrust selects.

• SunTrust may allocate Your Minimum Payments to Balances starting with the lowest APR (Annual Percentage Rate). Payments in excess of the Minimum Payment will generally be applied first to Balances with the highest APR and any remaining portion to the other Balances in descending order based on their APRs, unless SunTrust is required by applicable law to use a different payment application method in connection with a deferred interest or similar program.

• Payments are normally applied to restore Your available Credit (the amount of Your unused Credit Limit). There may be a delay in restoring Your available Credit until SunTrust determines whether a payment is likely to be returned for insufficient funds or for some other reason.

### Costs

You may use Your Card and Account to make Purchases, Cash Advances, Overdraft Advances and Balance Transfers. Each type of charge will have its own Balance. Each type of Balance may have a separate DPR and corresponding Interest Charges.

You agree to use Your Account only for legal transactions. It is not SunTrust's responsibility to make sure You only use Your Account for legal transactions, and You will remain responsible to pay for any transactions whether legal or not. SunTrust may decline authorization for any Internet gambling transaction. SunTrust will not be liable if You engage in an illegal transaction.

### Interest Charges and Transaction Fees

SunTrust calculates Interest Charges using the Average Daily Balance (including new transactions) method. SunTrust also uses compounded interest in calculating Interest Charges. Compounded interest means that interest is added to the principal that You owe and interest then applied each successive Billing Period on the outstanding Balance and new charges.

Interest Charges that apply on Your Account are set forth in the Card Mailer.

Minimum Interest Charge

If You incur Interest Charges in any Billing Period, a minimum Interest Charge will post to Your Account (such minimum Interest Charge shown as the “Minimum Interest Charge” on Your Statement). If You incur Interest Charges in any Billing Period, the Minimum Interest Charge will be no less than the amount disclosed in the Card Mailer. SunTrust may allocate the Minimum Interest Charge among Your various Balances in the manner that SunTrust elects as permitted by applicable law.

Foreign Currency Exchange for Non-US Transactions

All Purchase and Cash Advance transactions processed in a foreign currency will be converted to U.S. dollars under the regulations of the Card Association before being charged to Your Account. (The exchange rate that the Card Association uses to convert currency is a rate the Card Association selects either from the range of rates available in the wholesale currency markets for the applicable processing date (which rate may vary from the rate the Card Association itself receives) or the government-mandated rate in effect on the applicable processing date.)

Conversion may occur on a date other than the date of the transaction or the date the transaction is posted to Your Statement, which may affect the conversion rate used. If a Credit transaction is processed and has a processing date different than the original transaction, then the exchange rate of the Credit can be greater/less than that of the original transaction.

If Your Account has a foreign currency transaction fee, it will be shown on Your Card Mailer and will be calculated after each Purchase transaction has been converted from a foreign currency.

Other Charges

Late Payment Fee. Unless Your Account is exempt from Late Payment fees, if SunTrust has not received at least the Minimum Payment by its Due Date as shown on a Statement, SunTrust will add a Late Payment fee to Your Purchase Balance based on the New Balance outstanding as of the Closing Date for the Statement. The Late Payment fee is stated on the Card Mailer.

Annual Fee. If Your Account has an annual fee, it will be shown on the Card Mailer, and SunTrust will add the annual fee to Your Purchase Balance. If an annual fee is applicable to Your Account, SunTrust will provide You with notice of that annual fee in the manner required by law and explain how You may terminate Credit availability under the Account to avoid paying any such annual fee. If You do not want to maintain the Account, the terms disclosed will continue to apply.
Returned Payment Fee. Unless Your Account is exempt from Returned Payment fees, SunTrust will add a Returned Payment fee to Your Purchase Balance if (1) a payment that You make or authorize is returned to SunTrust unpaid (for example, if a check or an electronic funds transfer to SunTrust is returned for insufficient funds or is returned because it is not signed or cannot be processed for any reason); or (2) any Balance Transfer, Cash Advance, or any Balance charge is disputed for any reason. This fee may be imposed even if Your payment is later re-presented to and paid by your financial institution. The Returned Payment fee is stated on the Card Mailer. Stop Payment Fee. SunTrust will add a $39.00 stop payment fee to Your Purchase Balance if You ask SunTrust to stop payment on any Convenience Check drawn on Your Account or on any Balance Transfer request.

Overdraft Protection
If You elect to link Your SunTrust eligible Consumer Checking Account, Savings Account or Money Market Savings Account to this SunTrust Credit Card for overdraft protection (the “Protected Account”), funds will be transferred from Your Credit Card Account (the “Account”) into Your Protected Account when checks, bill pay, or other debit transactions would cause Your Protected Account to be overdrawn if those transactions are paid.

Transfers will be made in $100 increments from the Protector Account to Your Protected Account. These transfers shall be considered a “Cash Advance” as that term is defined under Your Credit Card Account Agreement. Fees and interest on the transferred Cash Advance amount are charged to Your Credit Card Account and may be higher than those associated with other Credit Card transactions. There is no Grace Period for Cash Advances, meaning finance charges will accrue from the date the Cash Advance is posted to Your Credit Card Account. If the available Credit on Your Credit Card Account (i.e., Credit Limit or the available Cash Advance limit) is insufficient to cover the entire overdraft, we may make transfers to pay individual debit items up to the available accessible Credit on Your Credit Card Account. For example, if Your deposit account has a Balance of $10.00 and a check or other debit item for $80.00 is presented for payment, which if paid would cause Your Credit Card Account to be overdrawn, a transfer of $100 will be made from Your Credit Card Account to Your deposit account and an overdraft protection Cash Advance of $100 will post to this Account. We will also charge an additional Overdraft Protection transfer fee to Your Protected Account for each day a transfer is made, as disclosed in the Personal Deposit Accounts Fee Schedule. To be eligible for overdraft protection, Your Account must meet the requirements of the Personal Deposit Accounts Fee Schedule.

Be advised that we reserve the right to not initiate transfers to cover overdrafts and to return the debit item(s) for non-sufficient funds. By way of example only, we ordinarily will not initiate an overdraft transfer or advance funds as a Cash Advance under the following circumstances: (i) if You are in Default under Your Credit Card Account Agreement; (ii) if the Cash Advance would cause You to exceed the available Credit for a given transaction; (iii) if Your Credit Card is in a closed or blocked status (e.g. due to fraud); (iv) if You fail to make a Credit Card payment by its Due Date; and/or (v) if You exceed any Credit Card limit on Your Credit Card Account. In these instances, an overdraft or returned item fee for each transaction that cannot be covered by the Protected Account will be charged to Your Credit Card Account, which is disclosed in the Personal Deposit Accounts Fee Schedule.

Overdraft protection is only available for active Credit Card Accounts, but be advised that linking a deposit account to a Credit Card does not automatically activate that Card. Conversely, cancelling overdraft protection will not cancel a Credit Card Account.

A Cash Advance transfer to the Protected Account due to overdraft protection will not activate Your Credit Card. Cancelling overdraft protection will not close Your Credit Card. However, closing a Credit Card Account will cancel the overdraft protection service.

Payments
What You Pay, When, How, and what happens if You pay late
SunTrust will send Your Statement to the address that the Bank has on file for You. You agree to pay all Authorized Charges on the Statement. You have the option of paying in full the New Balance shown on each Statement or paying in installments that at least equal the amount of the Minimum Payment shown on Your Statement.

In either case, the payment Due Date will be at least 25 days after the Closing Date. The Minimum Payment will include any amount past due or over the Credit Limit plus the greater of (1) $25.00, (2) 2% of the New Balance, or (3) 1% of the New Balance plus current Interest Charges and Other Charges. The Minimum Payment amount will either be rounded up or down to the nearest dollar. If the New Balance is less than $25.00, the Minimum Payment will be the New Balance. If You pay more than the Minimum Payment, You still must make the Minimum Payment on subsequent Statements until You have fully paid what You owe. You must pay in U.S. dollars, without restrictive terms, and in accordance with the Standard Payment Instructions. You must contact SunTrust at least 3 business days before the due date of the next scheduled payment is scheduled, if You want to stop payment on the amount You think is wrong. If You do not pay at least the Minimum Payment by the Due Date, SunTrust will charge a Late Payment fee, unless Your Account is exempt from Late Payment fees. If You make a Late Payment, You will be in Default and You may be subject
to rate increases. If You are in Default for any reason, SunTrust can require that Your Minimum Payments to Balances on Your Account be immediately paid. If You do not immediately pay SunTrust the entire full Balance due when required, except as specifically addressed in the Arbitration Provision of this Agreement, You will be liable to SunTrust for collection costs that SunTrust incurs, including reasonable attorneys’ fees and expenses of legal actions to the extent permitted by applicable law. The payment required by state law SunTrust will provide You with notice and a right to remedy Your Default in accordance with that law. SunTrust’s acceptance of a payment after the payment Due Date or after You have exceeded Your Credit Limit does not waive SunTrust’s right to require immediate payment of Your entire full Balance.

How SunTrust will apply payments
You agree that the Minimum Payments on Your Account will be applied in the order that the transactions in accordance with applicable law. SunTrust may allocate Your Minimum Payments to Balances starting with the lowest APR. Payments in excess of the Minimum Payment will generally be applied first to Balances with the highest APR and any remaining portion to the other Balances in descending order based on their APRs, unless SunTrust is required by applicable law to use a different application method or connection method for purposes of applying similar programs. Payments are normally applied to restore Your available Credit (the amount of Your unused Credit Limit). There may be a delay in restoring Your available Credit until SunTrust determines whether a payment is likely to be returned for insufficient funds or for some other reason.

Arbitration Provision

READ THIS PROVISION CAREFULLY AS IT WILL HAVE A SUBSTANTIAL IMPACT ON HOW DISPUTES AND CLAIMS YOU AND WE HAVE AGAINST EACH OTHER ARE RESOLVED. YOU HAVE THE RIGHT TO REJECT THIS ARBITRATION AGREEMENT AS SET FORTH BELOW. If you do not reject this arbitration agreement, for a Claim subject to arbitration, (a) you nor we will have the right to (1) refuse to arbitrate a Claim; (2) engage in information-gathering (discovery) to the same extent as in court; (3) participate in a class action in court or in arbitration; or (4) join or consolidate a Claim with claims of any other person. The right to appeal is more limited in arbitration than in court and other rights in court may be unavailable or limited in arbitration.

Claims Subject to Arbitration. A "Claim" subject to arbitration is any claim, dispute or controversy between You and us (other than an Excluded Claim or Proceeding as set forth below), whether preexisting, present or future, which arises out of or relates to the Account, these rules and regulations, any transaction conducted with us in connection with the Account, these rules and regulations, the Agreement, the Class Action Waiver set forth below, this sentence, and/or the last sentence of the Survival and Severability paragraph below; all such disputes or controversies are for a court and not an arbitrator to decide. However, any dispute or controversy that concerns the validity or enforceability of the rules and regulations as a whole is for the arbitrator, not a court, to decide. In addition, the following claims or proceedings will not be subject to this arbitration agreement: (1) any individual action brought by You or us in small claims court or Your state’s equivalent court, unless such action is transferred, removed, or appealed to a different court; (2) the exercising of any self-help rights, including set-off as described in the paragraph below titled “Right of Offset and Security Interest,” or (3) any individual action in court by one party that is limited to preventing the other party from using a self-help remedy and that does not involve a request for damages or monetary relief of any kind. The institution and/or maintenance of any such right, action or litigation shall not constitute a waiver of the right of either of the parties to compel arbitration regarding any other dispute subject to arbitration pursuant to this arbitration agreement. Moreover, this arbitration agreement will not apply to any Claims that are the subject of (a) a class action filed in court that is pending as of the effective date of this arbitration agreement in which You are alleged to be a member of the putative class (however, You and we will continue to be bound by any prior version of this arbitration agreement), or (b) a motion to compel arbitration filed by us against You before the effective date of this arbitration agreement pursuant to a prior version of this arbitration agreement (however, You and we will continue to be bound by any prior version of this arbitration agreement).

Federal Arbitration Act. Notwithstanding any choice of law or other provision in these rules and regulations, the parties agree and acknowledge that this agreement evidences a transaction involving interstate commerce and that the Federal Arbitration Act (Title 9 of the United States Code) (“FAA”) shall govern its interpretation and enforcement. sent to SunTrust Bank Legal Department, Attn: General Counsel-Arbitration Election, Mail Code 0643, 303 Peachtree Street, N.E., 9th Floor, Atlanta, Georgia 30308. This is the sole and only method by which You can submit a Claim Notice and Cure; Special Payment.

For Claim(s) that total less than $75,000, and at Your written request, we will pay all filing, hearing and/or other fees charged by the administrator or arbitrator to You for Claim(s) asserted by You in arbitration after You have paid an amount equivalent to the fee, if any, for filing such Claim(s) in state or federal court (whichever is less) in the judicial district in which You reside. If You have already paid a filing fee for asserting the Claim(s) in court, You will not be required to pay the filing fee in arbitration. In addition, the arbitrator may award reasonable attorneys’ and expert witness fees and costs to the extent that the administrator’s rules or applicable law permit. The arbitrator shall award You reasonable attorneys’ and expert witness fees and costs (a) if and to the extent You prevail on Claim(s) You assert against us in an individual arbitration commenced by You, or (b) to the extent required under applicable law for this arbitration agreement to be enforced. The arbitrator shall write a brief explanation of the grounds for the decision. A judgment on the award may be entered by any court having jurisdiction. This arbitration agreement shall survive the closing of Your account and the termination of any relationship between us, including the termination of these rules and regulations. If any part of this arbitration agreement is deemed unenforceable, the enforceable part(s) will remain in effect and will be enforced.

Prior to initiating a Claim, You may give us a written Claim Notice describing the basis of Your Claim and the amount You would accept in resolution of the Claim, or a reasonable opportunity, not less than thirty (30) days, to resolve the Claim. Such a Claim Notice must be sent to the most recent address for You in our files. Any arbitration hearing that You attend must take place in a venue reasonably convenient to You. If a party files a lawsuit in court asserting Claim(s) that are subject to arbitration and the other party files a motion to compel arbitration with the court which is granted, it will be binding on all parties to the arbitration agreement. The parties promissory to arbitrate any dispute arising out of or related to this arbitration proceeding with an arbitrator in accordance with this arbitration agreement and the administrator’s rules and procedures. Even if all parties have opted to litigate a Claim in court, You or we may elect arbitration with respect to any Claim made by a new party or any Claim later asserted by a party in that or any related or unrelated lawsuit (including a Claim initially asserted on a class, representative or multi-party basis). Nothing in that arbitration shall constitute a waiver of any rights under this arbitration agreement.

A single arbitrator will be appointed by the administrator and, unless You and us agree otherwise, must be a practicing attorney with ten or more years of experience or a retired judge. You and we will each have the right to object to the arbitrator’s appointment on the ground that the arbitrator is not impartial and evidence that would apply in a court, nor by state or local laws that relate to arbitration provisions or proceedings. The arbitrator will honor and enforce statutes of limitation and claims of privilege recognized under applicable law. In determining liability or awarding damages or other relief, the arbitrator will follow the applicable standard of care that would apply if the matter had been brought in court. The arbitrator may award any damages or other relief or remedies that would apply under applicable law to an individual action brought in court. For Claim(s) that total less than $75,000 and at Your written request, we will pay all filing, hearing and/or other fees charged by the administrator or arbitrator to You for Claim(s) asserted by You in arbitration after You have paid an amount equivalent to the fee, if any, for filing such Claim(s) in state or federal court (whichever is less) in the judicial district in which You reside. If You have already paid a filing fee for asserting the Claim(s) in court, You will not be required to pay the filing fee in arbitration. In addition, the arbitrator may award reasonable attorneys’ and expert witness fees and costs to the extent that the administrator’s rules or applicable law permit. The arbitrator shall award You reasonable attorneys’ and expert witness fees and costs (a) if and to the extent You prevail on Claim(s) You assert against us in an individual arbitration commenced by You, or (b) to the extent required under applicable law for this arbitration agreement to be enforced. The arbitrator shall write a brief explanation of the grounds for the decision. A judgment on the award may be entered by any court having jurisdiction.

Survival and Severability. This arbitration agreement shall survive the closing of Your account and the termination of any relationship between us, including the termination of these rules and regulations. If any part of this arbitration agreement is deemed unenforceable, the enforceable part(s) will remain in effect and will be enforced.

Effect of Arbitration Award. The arbitrator’s award shall be final and binding on all parties, except for any right of appeal provided by the FAA. However, if the amount of the Claim exceeds $150,000 or involves a request for injunctive or declaratory relief that could foreseeably involve a cost or benefit to either party exceeding $150,000, any party can, within thirty (30) days after the entry of the award by the arbitrator, appeal the award to a court in the judicial district in which You reside. The court will then determine whether the award is reasonable and, if it is not, may order a new arbitration or modify the award. The decision of the panel shall be by majority vote. Reference in this arbitration provision to “the arbitrator” shall mean the panel if an appeal of the arbitrator’s decision has been taken. The costs of such an appeal will be borne in accordance with the court’s decision. The term “Arbitration Election” means claiming arbitration as provided in this arbitration provision and is subject to judicial review only as provided under the FAA. No arbitration award involving the parties will have any preclusive effect as to issues or claims in any dispute involving anyone who is not a party to the arbitration, nor will an arbitration award involving the parties will have any preclusive effect as to issues or claims in any dispute involving anyone who is not a party to the arbitration, nor will an arbitration award involving the parties will have any preclusive effect as to issues or claims in any dispute involving anyone who is not a party to the arbitration, nor will an arbitration award involving the parties will have any preclusive effect as to issues or claims in any dispute involving anyone who is not a party to the arbitration.

Such a Claim Notice must be sent to us by certified mail, return receipt requested, at SunTrust Bank Legal Department, Attn: General Counsel- Claim Notice, Mail Code 0643, 303 Peachtree Street, N.E., 9th Floor, Atlanta, Georgia 30308. This is the sole and only method by which You can submit a Claim Notice. If (i) You submit a Claim Notice in accordance with this Paragraph on Your own behalf (and not on behalf of any other party); (ii) You cooperate with us by promptly
providing the information we reasonably request; (iii) we refuse to provide You with the relief You request; and (iv) the matter then proceeds to arbitration and the arbitrator subsequently determines that You were entitled to such relief (or greater relief), You will be entitled to a minimum award of at least $7,500 (not including any arbitration fees and attorneys’ fees and costs to which You will also be entitled). We encourage You to address all Claims You have in a single Claim Notice and/or a single arbitration. Accordingly, this $7,500 minimum award is a single award that applies to all Claims You have asserted or could have asserted in the arbitration, and multiple awards of $7,500 are not contemplated.

You agree that Your rejection of this arbitration agreement shall not be imputed to any other person or entity or be deemed to be a rejection of this arbitration agreement by any person or entity other than You. Nor shall Your rejection of this arbitration agreement eliminate the obligation of other persons or entities who wish to reject this arbitration agreement to personally comply with the notice and time requirements of this paragraph. Rejection of this arbitration agreement will not affect any remaining terms of these rules and regulations and will not result in any adverse consequence to You or Your Account. You agree that our business records will be final and conclusive with respect to whether You rejected this arbitration agreement in a timely and proper fashion. This arbitration agreement provision will apply to You and us and to Your Account unless You reject it by providing proper and timely notice as stated herein.

Your Billing Rights

Keep this notice for future use. It informs You about Your rights and SunTrust’s responsibilities under the Fair Credit Billing Act.

What to do if You find a mistake on Your Statement

• If You think there is an error on Your Statement, write SunTrust at:
  ◦ SunTrust Bank
  Cardholder Services, P.O. Box 620548, Orlando, FL 32862-0548
  Attn: Dispute Department

• In Your letter, give SunTrust the following information:
  ◦ Account information: Your name and Account number
  ◦ Dollar amount: The amount of the suspected error
  ◦ Description of problem: If You think there is an error on Your Statement, describe what You believe is wrong and why You believe it is a mistake.

• You must contact SunTrust:
  ◦ Within 60 days after the error appeared on Your statement.
  ◦ At least 3 business days before an automated payment is scheduled, if You want to stop payment on the amount You think is wrong.

• You must notify SunTrust of any potential errors in writing. You may also call SunTrust, but SunTrust is not required to investigate any potential errors and You may have to pay the amount in question unless You provide written notice of the suspected error.
When SunTrust receives Your letter, SunTrust must do two things:

- Within 30 days of receiving Your letter, SunTrust must inform You that SunTrust received Your letter; SunTrust will also inform You if SunTrust has already corrected the error.
- Within 90 days after receiving Your letter, SunTrust must either correct the error or explain to You why SunTrust believes the bill is correct.

While SunTrust investigates whether or not there has been an error:

- SunTrust may not (1) attempt to collect the amount in question or (2) report You as delinquent on that amount;
- The charge in question may remain on Your Statement, and SunTrust may continue to charge You interest on that amount;
- While You do not have to pay the amount in question, You are responsible for the remainder of Your Balance; and
- SunTrust may apply any unpaid amount against Your Credit Limit.

After SunTrust finishes the investigation, one of two things will happen:

- If SunTrust made a mistake, You will not have to pay the amount in question or any interest or other fees related to that amount; or
- If SunTrust does not believe there was a mistake, You will have to pay the amount in question, along with applicable interest and fees; SunTrust will send You a statement of the amount You owe and the date payment is due; and SunTrust may then report You as delinquent if You do not pay the amount SunTrust states that You owe.

If You receive SunTrust’s explanation but still believe Your bill is wrong, You must write to SunTrust within 10 days telling SunTrust that You still refuse to pay the amount in question. SunTrust cannot charge You interest on that amount until SunTrust finishes the investigation, and You are delinquent without also reporting that You are questioning Your bill. SunTrust must tell You the name of anyone to whom SunTrust reported You as delinquent, and SunTrust must let those organizations know when the matter has been settled between SunTrust and You.

SunTrust does not follow all of the rules above, You do not have to pay the first $50 of the amount You question even if Your bill is correct.

Your rights If You are dissatisfied with a Purchase

- If You are dissatisfied with the goods or services that You Purchase with Your Card/Account, and You have tried in good faith to correct the problem with the merchant, You may have the right not to pay the remaining amount due on the Purchase. To use this right, all of the following must be true:
  - The Purchase must have been made in Your home state or within 100 miles of Your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these conditions applies if Your Purchase was based on an advertisement SunTrust mailed to You, or if SunTrust owns the company that sold You the goods or services.)
  - You must have used Your Card for the Purchase. Purchases made with cash advances from an ATM or with a check that accesses Your Account do not qualify.
  - You must not yet have fully paid for the Purchase.

- If all of the criteria above are met and You are still dissatisfied with the purchase, contact SunTrust in writing at:

  SunTrust Bank
  Cardholder Services, P.O. Box 620548, Orlando, FL 32862-0548
  Attn: Dispute Department

While SunTrust investigates, the same rules apply to the disputed amount as discussed above. After SunTrust finishes the investigation, SunTrust will tell You SunTrust’s decision. At that point, if SunTrust thinks You owe an amount and You do not pay, SunTrust may report You as delinquent.

Crediting of Payments to Account: Payments that SunTrust receives prior to 5:00 p.m. Eastern Time at the mailing address shown on the front of Your Statement and in the Standard Payment Instructions will be credited to Your Account as of the date of receipt. Payments that SunTrust receives after 5:00 p.m. Eastern Time will be credited as of the next day, unless You make the payment directly to SunTrust personnel at a SunTrust branch after 5:00 p.m., as stated above. If SunTrust accepts a payment received at any other location than the address stated in Your Statement and in the Standard Payment Instructions, with no payment coupon enclosed, or that does not conform to the Standard Payment Instructions, that payment may be subject to a delay in crediting of up to 5 days after the date of receipt. This delay may result in additional Interest Charges, Other Charges, and in the case of Creation of Your Account, in additional APRs. Grace Period - The time period during which You may avoid paying interest on certain transactions. As stated in the Card Mailer, the Grace Period is at least 25 days after the close of each Billing Period. This Agreement defines the kinds of transactions that are subject to a Grace Period (See Interest Charges and Transaction Fees Section). If a particular transaction is subject to a Grace Period, You must act in a Grace Period to take advantage of the Grace Period. The Grace Period will continue if You pay Your New Balance on time each Billing Period. You will lose the Grace Period if You do not pay Your New Balance in a given Billing Period. To regain Your Grace Period after You lose it, You must pay Your New Balance on time for 1 Billing Period. If You lose Your Grace Period for transactions to which the Grace Period previously applied, You will owe interest on any unpaid Balance. Interest on those transactions will begin to accrue from the end of the Billing Period for which You failed to pay Your New Balance. For any such transactions that You make after You lose Your Grace Period, You will pay interest from the Transaction Date until the Due Date. If You lose Your Grace Period for transactions to which the Grace Period previously applied, You will owe interest on any unpaid Balance. Interest on those transactions will begin to accrue from the end of the Billing Period for which You failed to pay Your New Balance. For any such transactions that You make after You lose Your Grace Period, You will pay interest from the Transaction Date until the Due Date.

Interest Charge - The cost of Your Credit on the Account as a dollar amount that SunTrust derives by applying Your APR to the Average Daily Balance.

Items - Statements, sales drafts and/or payment instruments.

Joint Ownership Considerations - If a deposit Account (i.e. Protected Account) is jointly owned, any owner of BOTH the deposit Account AND the Credit Card Account (i.e. the Protector Account) may enroll in overdraft protection without the consent of the other owners of that deposit Account. However, any owner of the deposit Account OR Credit Card Account may cancel overdraft protection without the consent of other owners. If a jointly owned deposit Account is enrolled in overdraft protection: (i) all deposit Account holders will be responsible for all overdraft protection advances regardless of which person writes a check or initiates a transaction that causes an overdraft (e.g. as a debit Card Purchase); and (ii) all deposit Account holders authorize us to share information about the Protected Account with each owner of Protector Account, such as type of Account and partial Account number. We reserve the right to cancel, suspend, or change the terms or conditions of Your overdraft protection service at any time, for any reason.

Late Payment - A payment that You make that SunTrust does not post to Your Account before the Due Date.

Margin - The rate added to the Index Rate to determine Your APR.

Minimum Payment - The Minimum Payment due on Your Account as shown on Your Statement.

New Balance - The entire Balance of Purchases, Cash Advances, Overdraft Advances, Balance Transfers and any Promotional Balances outstanding on Your Account on the Closing Date, plus all accrued Interest Charges and Other Charges as of such date.

The initial Notice Address for SunTrust is: SunTrust Bank Legal Department, Attention: General Counsel – Arbitration Election, 303 Peachtree Street N.E., Suite 3600, Mail Code 0643, Atlanta, Georgia 30308, although SunTrust may give You notice at any time that SunTrust has changed SunTrust’s Notice Address.

Other Charges - Charges to Your Account as described in the Other Charges Section of this Agreement, including fees for: Late Payments, Any Transaction Fee, Min Payment, Overpayment, Stop Payments, *Phone Payments*, and Phone Payments*. *SunTrust will consider reversal of these Other Charges fees on open Accounts in good standing if circumstances warrant such consideration, such as claims of Bank errors and other mitigating factors.

Protected Account - An eligible SunTrust Consumer Checking Account, Savings Account, or Money Market Savings Account linked to this SunTrust Consumer Credit Card for overdraft protection.

Protector Account - Your SunTrust Consumer Credit Card Account.

Returned Payment - A payment that You make that Your financial institution does not honor. If You have a Returned Payment, SunTrust will assess a fee in accordance with the terms of this Agreement. If SunTrust resubmits a Returned Payment and Your financial institution subsequently honors it, SunTrust will still assess a Returned Payment fee because Your financial institution originally returned the payment as unpaid. If Your financial institution returns a payment more than once, SunTrust will not charge more than one Returned Payment fee. If You make a new payment to SunTrust, however, and Your financial institution does not honor it, SunTrust will assess an additional Returned Payment fee.

Standard Payment Instructions - These instructions require You to pay your credit Card bill as follows. Pay (1) in U.S. dollars, (2) not in cash, unless You pay at one of SunTrust’s branches, (3) from a U.S. deposit account or cashier’s check drawn on a U.S. financial institution, (4) without restrictive language (e.g., “payment in full”) included or attached to the payment, and (5) not from a credit account that SunTrust provides You, such as a Convenience Check drawn on this Account. You must include the payment coupon from Your Statement or write Your Card Account number on the payment. If SunTrust decides in the Bank’s discretion to accept a form of payment that does not meet these Standard Payment Instructions, SunTrust does not waive the Bank’s right to continue to require payments that comply with these instructions. If SunTrust decides to accept a payment that You make in a foreign currency, SunTrust will choose the conversion rate to apply. The date You mail the payment is different from the date the Bank receives the payment. The payment date is the date that the Bank receives Your payment in accordance with these Standard Payment Instructions. If You fail to comply with these Standard Payment Instructions, credit to Your Account for the payment may be delayed. This delay may result in additional Interest Charges, Other Charges, and possible suspension of Your Account. Contact SunTrust at 866.732.1683 to inquire about phone pay. Mailed payments should be sent to:

The Statement will tell You the total Balance that You owe the Bank as of the end of the last Billing Period. It will also tell You the Minimum Payment that You must pay the Bank by the stated Due Date.

SunTrust - means (1) SunTrust Bank, the bank that is providing You Credit, and will include (2) any person(s) to whom the Credit is transferred or assigned; (3) any Covered Provider; (4) the parents, controlling persons, subsidiaries and affiliates of the companies in (1)-(3) above; (5) the successors and predecessors of the companies in (1)-(4) above; and (6) the officers, directors and employees of the companies in (1)-(5) above.
