

LendingSpace Portal URL

Having trouble logging into LendingSpace even though the correct user name and password is being used?

If the correct URL is not being selected, the log-in information will not be recognized and a password error will populate.

The LendingSpace Portal users should save the following URL:

<https://LoanSphereLendingSpace.bkiconnect.com/stm/SRVLPSPORTAL/>

Note: Quickly save this URL by selecting CTL-D at the log-in screen.
