<td>As long as you have sufficient funds in your linked account, you’ll pay a $12.50 transfer fee for each day a transfer is required.</td>
</tr>
</tbody>
</table>

**Overdraft Options**

- **Overdraft Coverage**
  
  * Default Decline: This means your account is set up to decline any ATM or one-time debit card transactions that may overdraw your account. Since these transactions will be declined when you have insufficient funds, you will not be charged the overdraft fee for ATM or one-time debit card transactions. Your account can still be assessed overdraft and returned item fees for other transactions such as recurring or automatic payments (ACH payments) and Checks.

- **Overdraft Protection**
  
  This service helps you avoid overdrafts by linking your checking accounts to another SunTrust deposit account, credit card, personal line of credit or Overdraft Assurance™ line of credit, and transferring funds when necessary.
  1. Overdraft Protection automatically transfers funds from your other SunTrust deposit account, credit card, home equity line of credit or other line of credit on the day the overdraft occurs.
  2. As long as you have sufficient funds in your linked account, you’ll pay a $12.50 transfer fee (not applicable for accounts protected by Overdraft Assurance) for each day a transfer is required.
  3. If Overdraft Assurance is selected, a monthly fee of $7 is assessed to your designated checking account.
  4. There is no charge to add Overdraft Protection to your accounts.

**Other Account-Related Fees**

- **ATM Fees**
  
  * No fee for transactions at SunTrust ATMs: $3 per transaction at ATMs outside the network in the U.S.; $5 per transaction at ATMs outside the network outside the U.S. Non-SunTrust ATMs may charge additional fees.

- **Deposited Item Returned Fee**
  
  * $12.50 per domestic item; $40 per international item.

- **Stop Payment Fee**
  
  * $36 each.

- **Dormant Account Fee (FL accounts only)**
  
  * $15 per month after 12 months of client inactivity and at least one month of return mail (Florida accounts only).
### Deposit and Withdrawal Processing Policies

| Funds Availability | Funds are generally available the next business day (see the Funds Availability Policy for account details). **Other Account Facts:**  
· Nightly processing occurs on regular business days—no Saturdays, Sundays or holidays.  
· Check deposits will be posted to your account and available for use after nightly processing, unless a hold is placed. |

| Posting Order | After each business day ends, we group transactions into categories before posting them against your available balance in chronological order within each group. Here, we show the most common categories and common types of transactions within each of them, in the order that they generally post to your account.  
**Credits** – Deposits/Credits such as cash, checks, direct deposits and incoming wire transfers.  
**Pre-Authorized Debits** – Transactions that have been previously authorized and cannot be returned unpaid. This category includes: debit card purchases, ATM withdrawals, account transfers and checks cashed at a teller window in a branch.  
**Other Debits** – Other debits such as checks and automated payments (ACH transactions), including items paid through Online Banking with Bill Pay. |
