Overdraft Options	Overdraft Coverage	<p>Default Decline Option: SunTrust will not pay any one-time debit card and ATM transactions that would overdraw your account. This means your account is set up to decline any ATM or one-time debit card transactions that may overdraw your account. Since these transactions will be declined when you have insufficient funds, you will not be charged the Overdraft Item Fee for ATM or one-time debit card transactions. We may pay overdrafts for other types of transactions, such as checks, and fees may be incurred.</p> <p>Transactions Paid Option: SunTrust may pay ATM and one-time debit card transactions that would overdraw your account. This means you choose to allow us to authorize one-time debit card purchases and ATM transactions when you do not have enough money available in your account. SunTrust pays overdrafts at our discretion, which means that we do not guarantee that we will always authorize and pay any type of transaction. A \$36 fee may be assessed each time an overdraft is paid for transaction amounts of \$5 or greater.</p>
