Overdraft Options (Continued)	Overdraft Protection	<p>This service helps you avoid overdrafts by linking your checking accounts to another SunTrust deposit account, credit card, personal line of credit or Overdraft AssuranceSM line of credit, and transferring funds when necessary.</p> <ul style="list-style-type: none"> • Overdraft Protection automatically transfers funds from your other SunTrust deposit account, credit card, home equity line of credit or other line of credit on the day the overdraft occurs. • As long as you have sufficient funds in your linked account, you'll pay a \$12.50 transfer fee (not applicable for accounts protected by Overdraft Assurance) for each day a transfer is required. • If Overdraft Assurance is selected, a monthly fee of \$7 is assessed to your designated checking account. • There is no charge to add Overdraft Protection to your accounts.
Deposit and Withdrawal Processing Policies	Withdrawal Transaction Limitations	<p>Savings and money market accounts are governed by federal regulations, which limit the number of certain types of transactions. From your savings or money market accounts, you are limited to six preauthorized, telephone or online transfers to your other SunTrust Bank accounts or to third parties. Additionally, this limitation includes checks, drafts or similar orders you make payable to a third party. The limitation applies per statement cycle for monthly statements or calendar month for quarterly statements. Due to IRS regulations, these transfer options are not available for money market IRAs. In determining when a transfer is made, the bank will use the date the transfer is paid.</p> <p>If you routinely exceed these withdrawal limitations on your savings or money market account, the bank may close the account or convert the account to a checking account. The foregoing limitations do not apply to withdrawals made by you or transfers to other accounts, which you have with us when these transfers are made by messenger, in person or through ATMs. The federal regulatory limit applies regardless of account balance.</p>
