

SunTrust SunView Treasury Manager Video Transcript - 3/29/18

You think about your business every day. Not just about what you want to achieve – but how you're going to get there.

We think about your business every day, too. Which is why we designed a cash management solution tailored to YOUR needs.

This is SunTrust SunView Treasury Manager.

SunView Treasury Manager helps you manage your daily financial operations with ease, using innovative tools that drive efficiency, productivity and smart growth.

Get customized account information, reports, shortcuts and alerts.

Create short-term forecasts for easy management of your cash position.

Originate and manage ACH and wire payments, all from just one place.

Manage fraud with simple tools, including check image review.

Simple administration using groups and copying users has never been easier.

SunTrust SunView Treasury Manager was designed with the singular purpose of optimizing treasury operations – to fuel smart growth for your business, and to give you the confidence to meet the demands of today. And tomorrow.
