## RE: Confirmation of SunTrust Bank - West Virginia Region's CRA credit for the year 2009

Dear Mr. Wells, Mr. Sayre and Mr. Hogwood:

This letter is your official confirmation of the Senior Housing Crime Prevention Foundation's receipt of your \$375,000.00 Community Reinvestment Act – CRA investment for the year 2009. These dollars are being used by the Foundation to support the Senior Crimestoppers program for low to moderate income seniors residing in a senior housing facility located in Kanawha County in the State of West Virginia.

Specifically, your funds are providing safe, secure crime free residences to 120 CRA qualified residents for the calendar year period 2003-2013. While your investment was structured and accepted by the Foundation to support 100 residents, we increased your resident participation by 20% to allow you to sponsor some additional units/beds that were available and in need of sponsorship. These additional units/beds are being supported on your behalf through the Foundation as appreciation of your support of our program. You should receive full CRA credit from your regulators for your total investment amount in each of these years.

Attached is information about the property and the units/beds that are being supported through this investment in the Senior Crimestoppers program under SunTrust Bank – West Virginia Region's name in the assessment area listed above.

On behalf of the sponsored facility and the residents it serves, thank you for your support of the Foundation's Senior Crimestoppers program. Please place a copy of this letter in your CRA file for reference during your next examination.

Sincerely,

Terry B. Rooker

President
